# Wisconsin's P2 Partners

- Department of Natural Resources  
Cooperative Environmental Assistance  
Bureau
- University of Wisconsin-Extension's Solid  
and Hazardous Waste Education Center
- Department of Commerce's Small Business  
Clean Air Assistance Program
- Department of Agriculture, Trade and  
Consumer Protection's P2 Program

# Wisconsin Business Environmental Assistance Program (WBEAP)

- Conducted planning exercise to develop a State pollution prevention strategy.
- Surveyed 35 pollution prevention stakeholders
- Outcome - A revitalization of the collaborative relationship between the state agencies that provide P2 assistance & education

# WBEAP

- Focus efforts on smaller companies that lack the resources to address environmental problems
- Continue to provide training through seminars and workshops
- Provide additional recognition for companies that are good environmental performers
- Help companies to forecast risk related to PBTs & Haps using an EMS approach

# WBEAP

**Mission:** Help Wisconsin Businesses to improve their environmental performance by promoting good environmental management practices in business and agriculture.
