NEWMOA
Pollution Prevention & Compliance Assistance
Metrics Software

Terri Goldberg

Northeast Waste Management Officials' Association
Agenda

- NEWMOA's P2 & Compliance Assistance Metrics Project
  - Background
  - Software Purpose & Status
  - Software Outline
- Demonstration of Software
August 1998 – *P2 Progress in the Northeast*

- 16 State & Local Agencies from 1990-1996
- Significant Progress Made
- Data not Consistent

April 1999 - Draft P2 Metrics Menu

- 40 Activity & Outcome Metrics
- States Choose Which Metrics to Use
- Same Metric Measured So Data Can be Compiled
Software Needed to Implement Menu
Large Workgroup Established
Project Expanded to Include Compliance Assistance Activities
States Want Tool to Measure their Programs as Well as Provide Data for Regional Measurement
Software Purpose

- Provide Policy Makers & Funders with Relevant Activity & Outcome Information
- Communicate the Activities & Accomplishments of the Programs
- Improve Program Management
Software Status

- Version 1.0 Sent to States
- Current Phase: User Manual & Staff Training
Software Outline

5 Major Sections for Activities
- For a Client (such as on-site visits and research)
- Grant Award
- Production of Educational Material
- Workshop/Training Event
- Respond to Information Request

3 Major Sections for Outcomes
- Client Project
- Educational Material
- Workshop/Training Event
Software Outline Cont.

- Annual Update on Program
  - Such as number of FTEs & Budget

- Reports
  - Provide data for regional picture
  - States to customize software & develop reports for their purposes
Northeast Waste Management Officials’ Association (NEWMOA)

- Non-profit, non-partisan interstate organization established in 1986
- New England, New Jersey, & New York
- Governed by the Hazardous Waste, Solid Waste, Waste Site Cleanup, & Pollution Prevention Program Directors
- Facilitates communication & cooperation
- Develops unified positions on waste & P2 issues
- Organizes training & conducts research
