BASIC OPERATIONS FIREFIGHTER / NFPA FIREFIGHTER I BLENDED

The Basic Operations Firefighter / NFPA Firefighter I Blended course gives firefighters the practical and cognitive training needed to operate safely on the fireground. The 18-week course is delivered through a unique and flexible schedule format featuring 9 practical weekend sessions and online learning. Students complete the coursework through an instructor supported online classroom. Practical weekend sessions are offered simultaneously across the state, eliminating a need for students to travel long distances to complete the training. Upon successful completion of all course requirements, students will also meet Illinois OSFM, Pro Board, and IFSAC NFPA Firefighter I requirements for certification.

The Illinois Fire Service Institute (IFSI) is the statutory State Fire Academy for Illinois. It serves as the oldest continuous fire training institution in the United States. Since 1925, first responders from across the state and world have relied on IFSI to deliver hands-on, innovative, and top quality training, education, and research.

Located in Champaign, the main IFSI campus offers a 28-acre training ground with class-A live fire props and training equipment. Courses are delivered on campus, at state regional training centers, and local fire departments across the United States and internationally.

**Regional Cornerstone Representatives**

The Cornerstone Program delivers fundamental training to local fire departments, MABAS Divisions and Mutual Aid Associations throughout the state.

Training is coordinated through nine IFSI Regional Representatives. Courses are funded through the Office of the Illinois State Fire Marshal and available at no cost to students or fire departments.
