Explore **Question**

What questions is your inquiry contingent upon?

I want to find out what some people from the University of Illinois did during the 20's once they graduated. After that I want to find someone who would be similar to the life of Lucia from Co-Ed.

Plan

How will you go about answering your inquiry?

I have already went to the Archives and researched. I've found a person who lived a life similar to Lucia. From there I will based Lucia life off of her

Observe

What observations, or findings are you encountering in your research?

The person I will mold Lucia life off of is Norma Schultz a graduate of U of I from the 1926 class. Like Lucia she wrote while in college and was also apart of a sorority.

Discuss

Discuss your inquiry, taking care to separate speculation from fact or data?

Norma was a fashion editor for the Drygoodsman and manager of their ready-to-wear department. I am currently looking to find out how she held that job and when it folded.
