In order to put our results into a proper context, we want to get a sense of who is answering this survey. Any questions marked with an "*" require an answer before you can continue.

**DEMOGRAPHICS**

*1. At what type of institution do you teach or work? (Choose one)
   ○ A Technical, Vocational or Training College
   ○ A Community, Two-Year, or Junior College
   ○ A Four-Year, Baccalaureate or Liberal Arts College or University
   ○ A Masters Granting University
   ○ A Doctoral Granting University
   ○ A High School
   ○ A Middle School
   ○ Other (please specify)*

*2. Where is the institution that you teach or work located? (Choose one)
   ○ USA
   ○ Canada
   ○ Africa
   ○ Australia
   ○ Eastern Europe
   ○ Mexico/ Latin America
   ○ New Zealand
   ○ Western Europe
   ○ Asia
   ○ Other (please specify)*

3. What is your primary teaching appointment? (Choose one)
   ○ Tenured or Tenure-track college or university professor
   ○ Adjunct, Instructor, or Visiting professor at a college or university
   ○ High School Teacher
   ○ Middle School Teacher
   ○ Administrator
   ○ Librarian
   ○ Retired
   ○ Other (please specify)

*4. How long have you been teaching in your field?
Pull down menu
less than 1 year
1-3 years
4-6 years
7-9
10-12
13-15
5. In what academic field(s) do you primarily teach? (Choose one)

- Biological Sciences (including Agriculture)
- Business
- Chemistry
- Computer Science
- Education
- Engineering
- Geoscience
- Health Sciences
- Humanities/Arts
- Mathematics
- Physics
- Social Science
- I am not an instructor
- Other (please specify)
DIGITAL RESOURCES DEFINED

Digital resources encompass a variety of online material which can be used or referenced in support of learning. The following questions will ask you about specific digital resources. For purposes of this research we have defined digital resources within six categories:

(1) Still Images/Photos: This includes drawings, photographs, art, posters, etc.

(2) Simulations: Programs that are created to present a process or concept. May include user interaction (i.e. a user may input information, change parameters of variables, etc. Program responds to changes. May also include interactive maps.

(3) Datasets: Online business, government or scientific datasets or data bases that may be used for educational purposes.

(4) Learning Exercises: Materials found online that are used in instructing students (assignments, tutorials, lab manuals, problem sets, case studies, question banks, etc.)

(5) Videos and Animations: These include videos, movies and animations that are not interactive.

(6) Audio Recordings: This includes mp3's, podcasts, and other recorded material that does not include image capture.

6. Given the broad range of digital resources (as outlined above), what is your overall perception of the value of digital resources in your instruction of students? (Choose one)

<table>
<thead>
<tr>
<th>Of No Value to My Instruction</th>
<th>Essential to My Instruction</th>
<th>I do Not Instruct Students</th>
</tr>
</thead>
<tbody>
<tr>
<td>0</td>
<td>1</td>
<td>2</td>
</tr>
<tr>
<td>3</td>
<td>4</td>
<td>5</td>
</tr>
</tbody>
</table>

Digital Resources
The following questions will focus on the five digital resources separately.

**Still Images/Photos:**
This includes drawings, photographs, art, posters, etc.

7. **In a typical year, how would you rate the frequency of your use of Still Images/Photos. (Choose one)**

- I never use this digital resource.  
- I very rarely use this digital resource.  
- I occasionally use this digital resource.  
- I very frequently use this digital resource

8. **Please indicate the likelihood of using Still Images/Photos (defined above) in the specific situations listed on the left.**

<table>
<thead>
<tr>
<th>Very Unlikely</th>
<th>Somewhat Unlikely</th>
<th>Somewhat Likely</th>
<th>Very Likely</th>

</tbody>
</table>
Simulations:
Programs that are created to present a process or concept. May include user interaction (i.e. a user may input information, change parameters of variables, etc. Program responds to changes. May also include interactive maps.

9. In a typical year, how would you rate the frequency of your use of Simulations? (Choose one)

- I never use this digital resource. (if this option, skip to Q.11)
- I very rarely use this digital resource.
- I occasionally use this digital resource.
- I very frequently use this digital resource.

Simulations:
Programs that are created to present a process or concept. May include user interaction (i.e. a user may input information, change parameters of variables, etc. Program responds to changes. May also include interactive maps.

10. Please indicate the likelihood of using Simulations (defined above) in the specific situations listed on the left.

<table>

</tr>
</tbody>
</table>
Datasets:
Online business, government or scientific datasets or data bases that may be used for educational purposes.

*11. In a typical year, how would you rate the frequency of your use of Datasets?

- I never use this digital resource
- I very rarely use this digital resource
- I occasionally use this digital resource
- I very frequently use this digital resource

Datasets:
These include any online business, government or scientific datasets, or databases that may be used for educational purposes.

12. Please indicate the likelihood of using Datasets (defined above) in the specific situations listed on the left.

<table>
<thead>
<tr>
<th>Very Unlikely</th>
<th>Somewhat Unlikely</th>
<th>Somewhat Likely</th>
<th>Very Likely</th>
</tr>
</thead>
</table>

I use them in lectures/class.

Students use them for review and/or study aid.

I use them in my own professional development.
Learning Exercises:
Materials found online that are used in instructing students (assignments, tutorials, lab manuals, problem sets, case studies, question banks, etc.).

*13. In a typical year, how would you rate the frequency of your use of Learning Exercises?

- I never use this digital resource. (if this option, skip to Q.15)
- I very rarely use this digital resource.
- I occasionally use this digital resource.
- I very frequently use this digital resource

Learning Exercises:
Materials found online that are used in instructing students (assignments, tutorials, lab manuals, problem sets, case studies, question banks, etc.).

14. Please indicate the likelihood of using Learning Exercises (defined above) in the specific situations listed on the left.

Very Unlikely Somewhat Unlikely Somewhat Likely Very Likely

I use them in lectures/class.

Students use them for review and/or study aid.

I use them in my own professional development.
**Videos and Animations**
These include videos, movies and animations that are not interactive.

*15. In a typical year, how would you rate the frequency of your use of Videos and Animations?*

- I never use this digital resource.
- I very rarely use this digital resource.
- I occasionally use this digital resource.
- I very frequently use this digital resource

**Videos and Animations**
These include videos, movies and animations that are not interactive.

**16. Please indicate the likelihood of using Videos and Animations (defined above) in the specific situations listed on the left.**

TECHNOLOGY USE

20. Many teachers, faculty and instructors teach themselves how to incorporate technology into their classes. What other sources of support were important in helping you incorporate technology into your teaching? (Check all that apply).

☐ Institutional/ faculty development program
☐ Other technology instruction/ class
☐ Learned from another teacher/colleague
☐ Learned from a TA or graduate student

21. If there was a specific workshop or training session you found particularly useful in helping you to integrate digital resources into your academic life, please describe that experience and why you found it particularly useful?

Text Box
TEACHING DEMOGRAPHICS

22. What is a key change that would allow you to incorporate more digital resources into your instruction?

Text Box
## DIGITAL RESOURCE COLLECTION FEATURES

23. Please rate how important you consider the following features included in many digital resource collections.

<table>
<thead>
<tr>
<th>Essential</th>
<th>Not at all Important</th>
</tr>
</thead>
<tbody>
<tr>
<td>(7)</td>
<td>6</td>
</tr>
<tr>
<td>5</td>
<td>4</td>

<td>(0)</td>
</tr>
</tbody>
</table>

- An online file cabinet to organize/share links to resources
- Recommendations/Ratings for teaching/learning resources from digital library editors
- Recommendations/Ratings for teaching/learning resources from other digital library users.
DIGITAL RESOURCES (HEARD OF VERSUS USE)

24. Which of the following digital collections have you heard of? *(check all that apply)*

Insert names of up to 12 digital collections (see possible lists of digital collections in Survey Instructions Doc)

Other (please specify)  

25. Which of the following Digital collections have you actually used? (in the last 6 months)?

Insert the same list of other digital collections used in Q24

Other (please specify)  

26. What, if any, final comments would you like to make about your use of digital resources?

Text Box
**FINAL DEMOGRAPHICS**

*27. We plan to have this study data compiled by -----(insert date)----- and analyzed by -----(insert date)-----. Would you be interested in receiving a copy of this report? (If so, we just need to collect some contact information). (Check one)

- Yes
- No

(If no, skip to End/Thank You Page)

**Contact info**

Thank you! Your help is appreciated, and your feedback will ultimately provide valuable information for digital libraries. We are asking you for some basic information so that we can contact you with a copy of the final report. Any information you provide will be kept in strict confidence and will not be sold to any outside vendor.

28. **What is your name?**

   Text Box

29. **What is your email address?**

   Text Box

30. **We may also be conducting a follow up to this survey. Can we contact you for any follow-up or clarification to this survey?**

   - Yes
   - No
