Panhellenic-W.G.S. Coordinating Committee

with the special assistance of

Judith Hildenbrand

This booklet has been written for all new Illinois coeds—both freshmen and transfers. We extend a warm welcome to the Illinois campus and hope you will find the information in this booklet helpful in becoming an informed member of our campus community.

By reading this booklet and participating in the events of New Student Week and the meetings planned by your Illini Guide, we hope you will soon become a truly wise Illini!
Dear New Students:

Welcome to the University of Illinois.

Your main purpose here is to be as good a student as possible. Your achievement and satisfaction will depend upon YOU—how wisely you select your goals and balance your time between studies and activities; how successfully you establish study habits and use your abilities; how thoughtfully you consider those around you.

While your academic life will center around the classroom, your out-of-class life will focus in your living unit, where you will establish yourself as a member of a group. Living with a group is an exciting experience, but only if you assume your responsibility as a cooperative and considerate resident.

Another factor in your success at Illinois will be how wisely you make use of personnel services when you need assistance. Many people are available to help you—the Assistant Deans of Women, your House Director, the residence hall staff, house officers, and your Illini Guide. When you are uncertain about where to go or what to do, come to the Dean of Women's Office, 100 English Building, where you can obtain general information, answers to specific questions, and personal assistance. Our primary interest is your general welfare.

Set your standards high and demonstrate by your action in and out of the classroom your sincerity of purpose in obtaining an education at the University of Illinois. The rewards of successful accomplishment will be a source of continuing pride to you and the University throughout your lifetime.

Sincerely yours,

Miriam A. Shelden
Dean of Women

SERVICES AND FACILITIES

ILLINI GUIDES

One of your first friends on the campus will be your Illini Guide. She is an upperclass student selected by her housing unit—indepen-
dent, sorority, or residence hall—to be your friend and counselor for
the year. She serves in cooperation with other officers in your house
and with the Illini Guides from every living unit on campus. For
those who are commuters there are Town and Area guides to help
you.

During the summer the Illini Guide will write all new students.
She will come to the campus a few days early to prepare for your
arrival and be on hand during New Student Week to help you be-
come acquainted with your University. Besides arranging special
informative get-togethers in your living unit, your Guide will plan
a campus tour, assist with academic schedules and registration pro-
cedures, and be available to answer your questions. She is also pre-
pared to refer you to the Dean of Women's staff and to others on
campus who can assist you with special problems. No matter how
large or small your problem, don't be afraid to ask her for help.

NEW STUDENT WEEK

The purpose of New Student Week is to acquaint you with
campus life and to provide a comprehensive introduction to the edu-
cational opportunities of the University. Activities have been planned
especially for you. Your participation in all of the scheduled events
will increase your knowledge of the University and prepare you
for a successful first year on the campus.

DEAN OF WOMEN

There are excellent facilities on the campus which carry on
student personnel functions. The University personnel services are
under the administration of the Dean of Students whose concern is
the life of all students outside the classroom. Women’s needs are
served by the Dean of Women and her staff of assistant deans. Areas
of responsibility are: individual counseling on general problems;
referrals, where appropriate, to other offices and services; group ad-
vising; and personnel services for women.

Specific major functions of the Office of the Dean of Women are:
1. Concern for special needs in women’s education. Interest in
particular problems of women’s education, vocations, employment,
and housing, as they differ from the general educational needs of
all students.
2. Organization of group living programs in women’s housing.
Programs for social, cultural, and educational development complementary to over-all University programs are carried on by the staff in coordination with head residents, house directors, and student leaders.

3. Supervision of Illini Guide program. Each living unit selects an upperclass woman to assist freshmen in her house or residence hall during the first year on campus. The Illini Guides meet twice a month with the Assistant Dean of Freshmen Women for information and help in planning programs within housing groups.

4. Advising of women's government organizations. Two staff members work with student leaders of Women's Group System and Panhellenic.

5. Residence Hall counseling. Room assignments to women's halls are made through the Dean of Women's Office, which also selects counseling staff of the University Women's Residence Halls—head residents, graduate assistants, etc.—and conducts in-service training for such staff. The counseling staffs in the halls coordinate the educational programs there with the all-University educational program; advise student government organizations; are general counselors for individual and group problems; and are agents who refer students to other all-University agencies for specialized help.

6. Administration of sorority programs. The Assistant Dean of Sorority Women is adviser to sorority presidents, aids in development of sorority programs, and administers rushing and pledging.

7. Development of training programs. The Dean of Women's Office Staff conducts training programs for house directors, residence hall staff, and student advisers of freshmen. A year-long in-service program in residence hall counseling is conducted for mature women re-entering the employment field.

8. Guidance and assistance in students' financial planning. Information is given to women on low-cost housing, loans, scholarship, and student employment services. The Office of the Dean of Women issues long-term loan forms and authorizes short-term loans. Women students also receive assistance in planning personal budgets.

9. Assistance with health problems. The Office receives reports of illness, injury, and special health problems from all women's housing units. This information is available to academic deans and instructors. As a result of such information, students may be referred to the Health Service or to their private physicians.

10. Correlation of reports of class absences. The Office correlates reports of student illnesses and absences which come from house directors with reports of absence filed by instructors. It issues verification of absences, which students present to their instructors. At the request of members of the faculty, the staff may confer with students regarding excessive numbers of absences from class.

11. Aid in planning social events, and approval of such events.
Staff members of the Dean of Women’s Office advise social chairmen of student housing groups and other organizations in planning social events. They furnish information on regulations regarding social functions. Petitions for such events are filed in and approved by the Dean of Women’s Office.

12. Maintenance of records. The Dean of Women’s Office maintains personnel records for women students and provides references, other than academic, for graduates and other former students.

The current staff of the Dean of Women’s Office includes:

**FINANCIAL ASSISTANCE**

The University of Illinois offers several types of assistance to students with financial problems: scholarships, grants-in-aid, student loans, part-time jobs, and moderately priced and low-cost cooperative housing.

**SCHOLARSHIPS**

More than 4,000 students now attending the University of Illinois get scholarship aid. Many scholarships are for free tuition, while others provide cash awards of various amounts.

In general, scholarships at the University of Illinois are awarded to the best qualified students. While some scholarships have certain restrictions—that is, they are earmarked for students majoring in a certain subject or planning to follow specified careers—nearly all of them demand that the persons who receive them have a high scholastic record and can show evidence of financial need.

Undergraduate scholarships are administered by the Office of Admissions and Records. You can find general information about scholarships in the *Undergraduate Study Bulletin*. A special brochure describing scholarships and application forms may be obtained from the Director of Undergraduate Scholarships, Office of Admissions and Records.

As a service project, a number of women’s student organizations offer scholarship aid to undergraduate women students. Applications are available during the fall semester from the Office of the Dean of Women. Announcements of specific dates for application are made in house meetings.
GRANTS-IN-AID

Grants-in-aid are like scholarships in that the student is not obligated to return the money. However, in awarding grants-in-aid emphasis is placed on a student's talents and leadership, rather than on high grades alone.

Student Activity Grants-in-Aid are awarded each year to new students who have been activities leaders in high school and who show promise of being student leaders while at the University. Fields in which grants-in-aid are awarded are baseball, basketball, debate, dramatics, football, music, publications, student leadership, track and cross-country, and other sports.

Women's Group System and Alpha Chron Grants-in-Aid are awarded to a limited number of undergraduate women who need some financial assistance and are in good standing in the University. Applications may be obtained during the first semester from the Office of the Dean of Women.

LOANS

NDEA Loans. Federal funds are now available for loans to superior students. Preference is given to students with high aptitudes in mathematics, science, engineering, or a modern foreign language, or to students who plan to teach in the elementary or high schools. Federal loans are available to prospective freshmen. For more information and for application blanks, write to the Dean of Students.

University Student Loans. University loan funds are used to aid students who are in good standing at the University, but who need financial assistance to help pay their educational expenses. Application may be made to the Dean of Women.

a. Long-term University Loans are not usually available to freshmen or new transfer students. A sophomore, junior, or senior who has been at the University a year or more may apply for a loan, regardless of whether or not he also is receiving scholarship assistance.

b. Short-term emergency loans may be requested by new students as well as those who have been here a year or more. They are $5.00 to $100.00 and must be paid within sixty days or by the end of the semester in which they are made, whichever date is earlier.

PART-TIME EMPLOYMENT FOR STUDENTS

More than half the undergraduate students at the University of Illinois earn part of their college expenses; a great many are entirely self-supporting. Students who need to work part-time while they are at the University will find a variety of opportunities. The Student Employment Office, 232 Illini Hall, has experienced placement officers who interview each job-seeking candidate. These jobs
average between 12 and 15 hours a week. It is not possible to arrange a job in advance of registration, since the hours you will have free to work will depend upon your class schedule. If it is necessary for you to work, you should plan to report to the Student Employment Office in person as soon as you arrive on the campus.

Except for individual cases of special need, the University does not advise freshmen to hold jobs during their first semester on the campus. However, some superior students are selected for work-scholarship awards.

STUDENT COUNSELING SERVICE

The Student Counseling Service is an all-University service agency for all students, including undergraduate, transfer, special, and graduate students. The service provides professionally trained counselors who will help you plan a career, make an important decision, resolve a personal problem, plan a more effective study program, or explore vocational choices.

FRESHMAN GUIDANCE EXAMINATION

All entering freshmen are required by the University to take the Freshman Guidance Examinations. These are administered by the Student Counseling Service as aids to counseling. You can secure an explanation of the educational and vocational significance of your scores by making an appointment at the Counseling Service at any time during your University career. However, you are urged to make an appointment early during your first semester in the University, since a knowledge of your scores may prove very valuable in planning your future educational program.

READING AND STUDY AIDS

Ineffective skills are at the basis of many academic difficulties. They may make the difference between an average student and a superior one. The service offers both individual and group programs in developing these skills.

TO MAKE AN APPOINTMENT

Simply come to the Reception Office, Room 311 Administration Building, East Wing, and request an appointment with a counselor, or phone University Extension 2210.

Office Hours—8-12 and 1-5, Monday through Friday; 8-12 on Saturday.
HEALTH SERVICE

If you are not feeling well, the best procedure is to first notify your house director who will then direct you to the Health Service.

GET AN APPOINTMENT

You may see a physician by individual appointment at the Health Service by calling EMpire 7-6611, Extension 3789. Appointments avoid long waits, saving time both for you and your doctor. To have more personal attention, if necessary, you should make follow-up appointments with the same physician.

Although appointments are preferable, you may come to the Health Service without previous arrangements and you will be cared for as soon as possible during regular hours.

WHERE TO GO

The Health Service is located at 807 South Wright Street, Champaign, until the new Health Service addition to McKinley Hospital is completed. The Health Service is open weekdays from 8:00 a.m. to 5:00 p.m., and Saturdays from 8:00 a.m. to 12:00 noon.

For X-rays, physical therapy, or emergency care after regular hours or on weekends, you should go to McKinley Hospital, 1109 South Lincoln Avenue, Urbana, Illinois. The phone number at the Hospital is EMpire 7-1113.

ILLINI UNION

The Illini Union Building is the social, recreational and service center for all students of the University. It is the "Front Door" of the campus. The architecture was inspired by the restoration of Colonial Williamsburg in Virginia. It has facilities of all types—lounges, meeting rooms, cafeteria, and dining room, information desk, ticket windows, browsing library, bowling alleys, game room, and headquarters of student activities and Alumni Association. The trademark of the University is the Illini Union cupola, which contains a clock bearing the numerals of the class who gave it to the University.

JAMES SCHOLARS PROGRAM

A recent addition to the University curriculum is this specially accelerated program for gifted freshmen. The classes are designed to meet their particular intellectual needs and stimulate them to engage in more challenging work.

The selection of James Scholars is based on high school grades, performance on aptitude and achievement tests, and recommendations from high school principals.

Students already in residence at the University are also eligible. Further information on this program is available from the University Director of Honors Programs at the James Scholars' Center, 1205 West Oregon, Urbana.

LIBRARY

The University of Illinois Library is the largest of any state institution and the third largest university library in the United States. You will want to become familiar with the facilities and policies of the library as soon as possible.

The pamphlet, Your Library, is available at the general library building. It explains the arrangement of books on the shelves, procedures to follow and many other helpful suggestions.

Besides the general library building, there are many departmental libraries scattered throughout the campus.

The Coordinating Placement Office, 153 Administration (West), Ext. 3472, is an all-University agency which assists students and alumni in obtaining full or part-time jobs.

In addition to job placement itself, other functions of the Coordinating Placement Office are:

1. Vocational counseling—Vocational guidance materials and company or organization literature is available. Persons wishing or needing vocational testing and counseling are referred through the office to the Student Counseling Service.

2. Interviews with company representatives.—All registrants of the Coordinating Placement Office are mailed weekly interview schedules during the interviewing seasons (October through December, and February through April). These schedules list forthcoming visits of company and organization representatives, so that interested prospective applicants may make appointments to interview such representatives.

3. "Spot" job openings.—These are reported to the office by employers throughout the year. They are reported, in turn, to alumni registrants through a semi-monthly Current Job Bulletin. Many positions are open to persons leaving the University before graduation, or to others who do not have degrees.

4. Career-oriented summer placement.—This type of job placement for summer vacation months is handled by the Coordinating Placement Office. Part-time and non-career-oriented summer positions are handled through the Student Employment Office.

5. Career Conference.—The Coordinating Placement Council sponsors a two-day Career Conference, which brings qualified speakers in many vocations and professions to the campus to talk with students interested in their fields of work.

Religious Foundations and Service Organizations

Near the campus are churches of all faiths, many of which have established foundations for student activities. Recognizing the spiritual needs of the students away from home, the foundations all have extensive programs of religious, social, and service activities.

The first church for college students was organized at the Illinois campus in 1906 and the campus religious foundation idea was born in 1913. Both of these ideas have now spread widely.

Although intended primarily to serve their denominational members, the religious foundations extend an open hand to all students to join and participate in programs rewarding to the individual and the community.
SECURITY OFFICE

The Security Office is charged, among other duties, with maintenance of the regulations governing student conduct. If a woman student is reported for violation of a regulation or conduct unbecoming a University student, the Security Officer first refers her to a member of the Dean of Women’s staff for interview and recommendations. The matter may also be referred to the University Senate Subcommittee on Student Discipline. The student has the right to appear before the committee to state her case. It will try to protect the best interest of both the student and the University.

The Security Office and the University Police Department provide valuable protection and assistance to the campus community.

The Security Office is located in Room 2 Administration. The headquarters of the University Police is 102 Service Building Annex.
READING AND STUDY SKILLS IMPROVEMENT

Students who feel handicapped by poor reading or study skills can get valuable assistance through the Student Counseling Service group program. The groups meet two or three times a week over a 10-12 week period. Application for inclusion in the program should be made as soon as registration is completed. Students should apply to the Reception Office, 311 Administration (E), Ext. 2210. Reading assistance is also offered on an individual basis.

SPEECH CLINIC

The Speech Clinic, 601 East John Street, Champaign, Ext. 2132, is a center for the diagnosis of speech problems and for therapy for students in need of help because of a speech difficulty. Interested students should seek assistance early in their college careers.

WRITING CLINIC

The Writing Clinic is intended to give individual diagnosis of writing problems, such as spelling, organization, punctuation, etc. It is especially for persons not registered in another writing course. It is located at 307 English Building, Ext. 2891, and is open 3-5 p.m. Monday through Friday.
Activities
ACTIVITIES

Activities here at Illinois are many and varied. Participation in activities offers an opportunity to make new friends, cultivate new interests and to gain experience in leadership which will help to develop the best "you."

PETITION AND INTERVIEW

Some activities require you to fill out a petition to indicate your interest. This application blank is similar to one you would fill out in applying for a job. It asks for basic information concerning past experience (including high school activities), other activities, and grade average. After filling out the petition, you will probably be asked for an interview with persons already working in the activity. This is a friendly, informal meeting. During the interview you may be asked questions similar to these:

1. What previous experience have you had in this field?
2. What made you decide to petition for this activity?
3. Do you have any questions concerning the workings of this activity?
4. Do you have any other jobs, difficulty with scholarship, or outside interests which would interfere with your cooperation in this job?
5. Do you have any suggestions for the improvement of this activity?

Answer the questions sincerely and frankly. The keynote to success is a genuine interest and enthusiasm for the organization. If you meet the requirements, you will be notified that you have been placed in your own interest group. If you are not chosen for the particular activity you are primarily interested in, try another activity. Of the large number of activities on campus, there are several that will be interested in you and want your help and enthusiasm.

Students who demonstrate scholarship, leadership, and service while participating in activities are usually honored by being invited to membership in the all-women activity and honor groups. If you are truly Illini Wise, then you will begin your work in your first year by taking advantage of all of the opportunities open to you.

ILLINI UNION

The Illini Union is the hub of many campus activities. Most of the petitioning for these activities take place in Room 322, Illini Union. Each year about 800 students fill positions on these committees.

You can help plan these events:
1. International Fair—where goods from different countries are displayed.
2. Spring Event—a carnival held in the spring.
3. Pep Rallies—held Friday nights before home football games.
4. Jazz-U-Like-It—jazz programs presented Thursday evenings.
5. Dad's Day—programs to honor University student's dads on a special weekend.

STUDENT PUBLICATIONS AND COMMUNICATIONS

THE DAILY ILLINI

The campus newspaper published by University students is issued five days a week, reporting current affairs and University news. Experience is offered in all fields of journalism, such as reporting, advertising, copyreading, and circulation. Interested freshmen and other new students are invited to attend a meeting at the beginning of the semester designed to acquaint new students with the organization of the paper and the duties and functions of the various staffs and positions. The Daily Illini office is in the basement of Illini Hall.

THE ILLIO

The University yearbook gives a pictorial record of the year's happenings. The business staff offers experience in the management of the finances, sales, and advertising of the book. The editorial
staff plans the layout of the pages, handles pictures, and writes copy for the book. The Illio office is in the first floor lobby of Illini Hall. If you are interested in a position, watch for notices of opening in The Daily Illini.

UNIVERSITY RADIO AND TELEVISION

The "University of the Air" operates three noncommercial stations. The radio studios are in Gregory Hall and the television studios in Memorial Stadium. WILL operates weekdays from 7:00 a.m. to local sunsets, and Sundays from 7:00 a.m. to 4:00 p.m. WILL-FM is on the air from 4:00 to 10:00 p.m. Monday through Friday, and from 1:00 to 10:00 p.m. Saturday. WILL-TV, Channel 12, is on the air from 6:00 to 9:00 p.m. Monday through Friday, and additional hours each week for instruction programs. Students do all the acting in Studio Theatre, a dramatic program on radio each week. They also take part in a writing course for adapting or writing plays.

STATION WPGU

The student radio station is administered by the Illini Publishing Company and is operated completely by students.

MUSIC

Musical organizations open to undergraduate women are many and varied. The Concert Band, the First Regimental Band, and the University Symphony Orchestra attract women who enjoy instrumental music. The Oratorio Society, the University Chorus, the University Choir, and the Women's Glee Club are open to women who enjoy group singing. These groups are devoted to the study of both secular and sacred music. The Opera Workshop, composed primarily of voice majors in music school, produces both grand and light operas. Occasionally the Opera Workshop joins with the University Theater to present a production.

SPORTS

WOMEN'S SPORTS AND DANCE COUNCIL

The Council, which is composed of the Women's Sports Association, Terrapin, and Orchesis, provides an all-round sports and dance program for women on campus, either as individuals or as members of organized houses. There is a place for the unskilled as well as the skilled in every activity offered with opportunities open to you to develop skills through instruction given by the physical education staff.
W.S.A., WOMEN'S SPORTS ASSOCIATION

W.S.A. offers activities such as hockey, volleyball, bowling, swimming, apparatus, basketball, fencing, table tennis, badminton, archery, tennis, golf, softball, and ice skating. Those interested in more specialized groups may try out for Orchesis or Terrapin.

ORCHESIS

Orchesis is a modern dance club that offers men and women the opportunity for creative dance study, composition, and performance. Tryouts are held at the beginning of each semester for those interested. Each spring an annual concert is presented.

TERRAPIN

Terrapin, the honorary swimming club, offers for those interested the opportunity to become more proficient in synchronized swimming. Terrapin gives its annual show on Mother's Day weekend. Members are selected through tryouts.

GUPPIES

Guppies, sponsored by Terrapin, is open to anyone interested in improving her swimming skill, especially in stunts and synchronized swimming.

THEATER

THE UNIVERSITY THEATER

University Theater, with its headquarters in Lincoln Hall, is a creative activity which offers an opportunity to participate in all fields of the theater. It offers practical experience in acting, scenery construction, costuming, designing, and makeup. Students work under a large faculty staff of directors and technicians in presenting five plays a year. The business staff takes care of publicity, the box office, house management, and the play bill.

THE UNIVERSITY THEATER WORKSHOP

The Workshop Theater offers basic training for the regular University Theater productions. This workshop is open to all students, with special encouragement to freshmen and sophomores. In order to try out for a specific major production, you must take part in general tryouts offered at the beginning of each semester.

OTHER ACTIVITIES

STAR COURSE

This organization presents programs featuring outstanding artists in the fields of music, dance, and drama. Freshmen and sophomore staff members usher at the programs, and the sophomores also do office work during the week. The junior managers direct the adver-
tising, concert arrangements, public relations, office management, physical plant arrangements, ticket sales, publicity, and office personnel. You must petition for positions. Petitions are available in the Star Course office on the third floor of the Illini Union.

**CAMPUS CHEST**

This organization sponsors the only charity solicitation on campus. The planning and coordination of the necessary work for this service is the responsibility of the organization. The interviewing and selection of the various charities to be supported by contributions is done by the Campus Chest Allocations Board which has representatives from Student Senate, Panhellenic, Women’s Group System, Interfraternity Council, Men’s Independent Association, Men’s Residence Hall Association, the Illini Union, the Y.M.C.A., and the Y.W.C.A., as well as the faculty and Campus Chest itself.

**COLLEGE COUNCILS**

Most of the individual colleges have set up a student council whose job it is to work in conjunction with the deans, the staff, and the student body for betterment in the policies and organization of the school. They also serve to promote better relations and increased interest among the students. If you desire a representative position on your college council, contact your main college office for information.

**CAREER CONFERENCE**

The career conference is held each year in order to enable students to meet people working in their areas of interest. These people, who are on campus for a day, are available for personal conferences as well as group discussions with students. You may be excused from classes to attend the conference.

**YWCA**

The Y.W.C.A. sponsors a program which is initiated and directed by students. It provides opportunities for searching conversation and cooperative work with students of different points of view, including those of other faiths and nations. All kinds of experiences—Cabinet and committee meetings, small discussion, forums, community service projects and recreation—stimulate a deeper understanding of self and others and responsible action as citizens of the University and wider communities. Some of these programs are sponsored jointly with the Y.M.C.A.

Other activity areas are: Student Senate, WGS, Panhellenic, and Religious Foundations which are discussed elsewhere in the booklet. Each housing unit also provides a program of social, cultural and educational activities.
STUDENT GOVERNMENT

All undergraduate women at the University of Illinois are required to live in one of the organized housing groups on campus, i.e., Panhellenic or Women’s Group System. Each group functions as an independent unit with its own individual governing body elected by its members. The governing bodies have legislative powers over all matters concerning the two groups.

The women students of these living units are represented by the president of their house and/or additional representatives in a combined meeting of Panhel and W.G.S., called First Council. Timely issues, especially those pertinent to the welfare of women students, are discussed in Second Council of W.G.S. and Presidents’ Council of Panhellenic.

The housing group organizations, Panhellenic, Women’s Group System, Men’s Independent Association, Men’s Residence Hall Association, and Interfraternity Council, are policy making bodies on matters affecting members of their own groups. The Student Senate, Freshman Seminar, and the Committee on Student Affairs turn to these groups for opinions and suggestions for improving the welfare of the student body.

COMMITTEE ON STUDENT AFFAIRS

The Committee on Student Affairs functions as an advisory committee to the Dean of Students. It has jurisdiction over all student organizations and activities, social functions, activity calendars, and regulations governing undergraduate students.

Section 1. Duties and Functions

The Urbana-Champaign Senate Committee on Student Affairs shall have the following duties and functions, and such other as shall be assigned to it from time to time by the Senate or the President of the University.

A. It shall establish policies for the supervision and guidance of extracurricular affairs and activities of undergraduate students, with particular attention to the maintenance of proper balance with and primary emphasis on academic affairs.

B. It shall delegate such of its functions as it sees fit to sub-committees of its own members or other members of the University staff or of University students.

C. It shall assist the students in implementing a plan of student self-government and in delegating such powers of self-government as to the Committee seem reasonable.

D. In conjunction with the student government it shall formulate such rules and regulations as will implement policies agreed upon by the Committee on Student Affairs and the Dean of Students.

E. In these matters, it shall advise the Dean of Students, who is the administrative officer responsible for undergraduate extracurricular affairs and activities.

Section 2. Responsibilities of the Committee

A. The Committee on Student Affairs shall establish policies and advise in matters pertaining to undergraduates in regard to hous-
ing, organizations, recognition and supervision of student organiza-
tions and activities and their use of University facilities, social and
special events, student participation in activities, group absences,
and the maintenance of safe, moral, and healthful living conditions
for all students in organized and unorganized housing.
Section 3. Membership
A. There shall be eight faculty members elected by the Urbana-
Champaign Senate. One shall be appointed as chairman. Two of the
faculty members shall be the Dean of Men and the Dean of Women
as ex-officio members representing the Dean of Students. The Dean
of Men shall serve as secretary.
B. Nine student members elected by the Student Senate shall
serve with the Committee with voting privileges.

STUDENT SENATE

GENERAL STATEMENT

The Student Senate works to promote the general welfare of
the student body in both academic and non-academic areas. It strives
to improve classroom instruction, general curriculum requirements,
and the cultural climate of the campus. The Senate also exercises
co-legislative authority with the Committee on Student Affairs.
Among constantly recurring problems for the Senate are traffic and
parking regulations, library hours, and general University social
regulations. The Senate through its Travel Research Bureau pro-
vides students with low-cost travel rates to foreign nations as well
as obtaining jobs for students who wish to work in other countries.

Section 1. Purpose
The purpose of the University of Illinois Student Senate shall be
to promote the general welfare of the student body, to exercise
general policy-making authority over all student activities and affairs
in conjunction with the Committee on Student Affairs, to encourage
responsible citizenship, and to serve as the agent of expression of
student opinion on any subject.

Section 2. Membership
The Senate shall consist of not more than sixty-five members, who
shall be undergraduates, including sixteen ex-officio senators and
forty district senators.

A. Ex-Officio Senators. The sixteen ex-officio senators shall con-
sist of one each from the University Theatre, Women’s Sports and
Dance Council, Illini Union Board, Concert and Entertainment
Board, Campus Chest, and Association of International Students and
two each from Women’s Group System, Panhellenic, Men’s In-
dependent Association, Interfraternity Council, and Men’s Residence
Hall Association.

B. District Senators. The forty district senators shall be elected
from not more than twenty districts by the undergraduate student
body.

Section 7. Coordination Committee (Committee on General Uni-
versity Special Events and Social Events.)

A. Functions:
1. To supervise general University events and special events
sponsored by the recognized student organizations and boards.
2. To approve budgets for such general University events.
3. To supervise printing, issuing, collecting, and auditing of tickets and pass-out checks, and the distribution of complimentary tickets.
4. To minimize conflicts and undue competition.
5. To call for petitions beginning the second Monday in January and closing the third Monday in February for events in the coming year and prepare a calendar of such events.
6. To recommend approval or denial of events and the sales of articles sponsored by recognized organizations and set the time, place, and date thereof, subject to recommendations by the Senate and the Committee on Student Affairs.

B. Membership. The Committee shall consist of eleven members and eight Senate representatives.

FRESHMAN SEMINARS

Eighteen freshman students are selected in the early fall after extensive examinations and interviews to participate in the Freshman Seminar. The Seminar carries on an intensive study of international, national, and local problems as they affect the student within the educational community. Their study is carried on in relation to the goals and purposes of education. The Seminar is called upon periodically during the year to assist the Student Senate in its programs. It also initiates its own projects, such as Freshman Leadership Conference, and sends speakers to various groups on campus.

HOUSING GROUP ORGANIZATIONS

The undergraduate women at the University of Illinois are members of one of the two housing group organizations. Those girls who pledge sororities are members of Panhellenic, and those students who live in University residence halls, organized independent houses, or who make arrangements for special housing are members of Women's Group System. The function of both organizations is to conduct programs for the benefit of their members. There are many opportunities to serve on various committees and to participate in the student government functions of these two groups. All students have the opportunity to enjoy the responsibilities and privileges of democratic group living. The house director or head resident acts as adviser to the student group.

FIRST COUNCIL

First Council is composed of Panhellenic President's Council and Women's Group System Council. At this meeting each Monday afternoon, announcements are given which affect all undergraduate women students.

PANHELLENIC

The University of Illinois Panhellenic was founded in 1901 by five sororities. Today it consists of twenty-seven national sororities and two Panhellenic houses for transfer students.
The University of Illinois Panhellenic is the governing and policy-making body of all sororities on campus. It encourages maintenance of high social standards, scholastic achievement, and participation in activities. The sororities have a voice in determining campus policies through Panhellenic representatives on Student Senate, Committee on Student Affairs, Coordination Committee, Panhel-WGS Coordinating Committee, Union Board, and Campus Chest Allocations Board.

Presidents’ Council and Executive Committee are the regulatory bodies of Panhellenic. Executive Committee is composed of the four officers, the senior chairmen and pledge advisers of five departments, i.e., Pledge, Scholarship, Activity, Social, and Rushing, and the Shi-Ai President, the Public Relations Chairman, and the Senate Representative. Executive Committee acts as the judicial body of Panhellenic, serves as coordinator of the departments, and makes policy recommendations to Presidents’ Council. Presidents’ Council, which is the link between the individual sorority members and Panhellenic, is the legislative body of Panhellenic.

JUNIOR PANHELLENIC

All sorority pledges belong to Junior Panhellenic, which is made up of four pledge departments, i.e., Pledge Presidents, Pledge Activity Chairmen, Pledge Social Chairmen, and Pledge Scholarship Chairmen. Each department functions as a separate entity, and the four are coordinated through the Junior Panhellenic Executive Committee, which is composed of the elected pledge chairman from each department and the adviser from Senior Panhellenic.

The purpose of Junior Panhellenic is to help the pledges develop a keen sense of the responsibilities for campus citizenship which fraternity membership entails, and to foster a cooperative relationship within the Panhellenic group.

BOARD OF PANHELLENIC AFFAIRS

The Board serves in an advisory capacity to the University of Illinois Panhellenic. It is the coordinating unit between the University, City Panhellenic, and Collegiate Panhellenic for fraternity affairs.

The Panhellenic Creed (Adopted by National Panhellenic Council in 1915)

We, the Fraternity Undergraduate members, stand for good scholarship, for guarding of good health, for wholehearted cooperation with our college’s ideals for student life, for the maintenance of fine social standards, and for the serving, to the best of our ability, of our college community. Good college citizenship as a preparation for good citizenship in the larger work of alumnae days is the ideal that shall guide our chapter activities.
We, The Fraternity Alumnae members, stand for an active, sympathetic, interest in the life of our undergraduate sisters, for loyal support of the ideals of our Alma Mater, for the encouragement of high scholarship, for the maintenance of healthful physical condition in chapter house and dormitory, and for using our influence to further the best standards for the education of the young women of America. Loyal service to chapter, college, and community is the ideal that shall guide our fraternity activities.

We, The Fraternity Officers, stand for loyal and earnest work for the realization of these fraternity standards. Cooperation for maintenance of fraternity life in harmony with its best possibilities is the ideal that shall guide our fraternity activities.

We, The Fraternity Women of America, stand for preparation for service through the character building inspired in the close contact and deep friendship of fraternity life. To us, fraternity life is not the enjoyment of special privileges but an opportunity to prepare for wide and wise human service.

WOMEN'S GROUP SYSTEM

The purpose of the Women's Group System (W.G.S.) is to organize and unify the independent women at the University of Illinois. The purposes of their programs, activities and efforts are:

A. To organize and unify the Independent Women of the University of Illinois;
B. to enrich each woman's college experience through fellowship and work with other women and to increase her sense of responsibility toward other college women;
C. to encourage higher scholarship within the group;
D. to promote group interest and participation in campus-wide affairs;
E. to provide opportunities for the development of leadership through group activities;
F. to be of service to the University, and
G. to gain for the Independent woman a fuller share in the political and social life of the University.

The governing and policy making body of W.G.S. is Second Council, which is composed of the presidents of every member house, and additional representatives based on the number of girls in each house and W.G.S.

At Second Council further announcements are given to the presidents to take back to their houses. Action on campus issues or recommendations from Executive Council are presented, discussed, and voted upon. There is always an opportunity for presidents to take an issue back to their house if they feel it is necessary to get the opinion of all Independent women.
EXECUTIVE COUNCIL

Women’s Group System Executive Council is composed of six elected officers: president, vice president, secretary, treasurer, student senator, and freshman adviser; six selected major chairmen: Public Relations, Activities, Social, Scholarship, Publication, and Assistant Freshman Adviser; the president of Freshman Board; Assistant Social Chairman; and a faculty adviser.

"Exec" functions in an advisory capacity to W.G.S. activities, formulates general policies, and makes recommendations to Second Council on items of interest and importance to Independent women on our campus.

FRESHMAN BOARD

Freshman Board is an organization composed of as many freshman women from each Independent house as there are representatives from the houses on Second Council. It serves as a leadership training organization. Freshman Board has done an outstanding job in the past few years in its work in sponsoring the W.G.S. Mother’s Day Luncheon, acting as hostesses for various W.G.S. functions, and helping other Independent freshmen women adjust to college life.

WGS—PANHELLENIC CO-ORDINATING COMMITTEE

The WGS-Panhellenic Co-ordinating Committee is, as the name implies, composed of representatives from the two women’s governing systems and serves as an advisory liaison between the two systems to study, evaluate, and recommend proposals that would effect all women. It also serves as the subcommittee on women’s housing to CSA. The membership includes the President of each, W.G.S. and Panhellenic, and four representatives at large from each governing system. Any undergraduate woman is eligible to petition for consideration at a designated time set in the spring. Selection is made by members of the outgoing committee. The time, place, and frequency of meetings is at the discretion of the committee.
RULES AND REGULATIONS

Every institution and organization needs a set of common rules in order to function effectively. As a new student on the campus you will need to become familiar with the basic regulations in several areas—general University, academic, housing regulations, as well as the common considerations and customs of the community. The complete detail of the regulations is not given here. Whenever you need more complete wording, refer to the following sources:

1. Regulations Applying to Undergraduates (Distributed at Registration.)
2. Code on Undergraduate Student Affairs (Ask your Illini Guide to read her copy.)
3. Housing Regulations (Consult your house handbook, terms of contract, house officers.)
4. Regulations for Undergraduate Women (Posted on your house bulletin boards.)

ACADEMIC

REQUIREMENTS

Each college has established rules and requirements. It is essential that you learn immediately the requirements of the college in which you are enrolled. Consult the Undergraduate Study Bulletin, latest edition.

Some of the things for which you would go to your college office are:

1. Advice on selection of courses
2. Information on your grades
3. Change of class schedule
4. Change of college (within the University)
5. Withdrawal from the University

The college offices are listed below:

Agriculture 101 Mumford Hall
Commerce and Business Administration 214 David Kinley Hall
Education 105 Gregory Hall
Engineering 106 Civil Engineering Hall
Fine and Applied Arts 110 Architecture Building
Journalism and Communication 119 Gregory Hall
Liberal Arts and Sciences 203 Lincoln Hall
Physical Education for Women 118 Women’s Gym
ATTENDANCE

Despite popular rumor, there is no "cut system" at Illinois. Class attendance is expected, and specific regulations may be set by individual instructors.

ABSENCE FROM CLASS

No absences from meetings of your class are "excused" and make-up of work missed will be determined by your instructor. If you miss classes because of illness, death in the family, or other emergency, secure a report from your house director and take it to the Office of the Dean of Women. Your college office will then be notified. See the instructor of each class missed immediately on your return. Repeated absence from class, without official explanation, may result in your being dropped from a class or from the University.

GRADES

At the eight weeks period (mid-term) of each semester, the freshman's grades are reported by the college to the student, her parents, and to the Dean of Women's Office to indicate the student's progress toward meeting the academic requirements of her college.

Grade points are given this way: a grade of A-5 points, B-4, C-3, D-2, and E-1. Each course in the curriculum has an assigned number of credit hours. To determine your grade point average, multiply the point value of the grade you receive in each course by the number of credit hours in that course. Add the answers you get from your multiplications and divide the sum by the total number of hours for which you were registered in the particular semester.

For example:

<table>
<thead>
<tr>
<th>Course</th>
<th>Hours</th>
<th>Grade</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Rhetoric 101</td>
<td>3</td>
<td>B</td>
<td>3x4</td>
</tr>
<tr>
<td>Mathematics 117</td>
<td>5</td>
<td>A</td>
<td>5x5</td>
</tr>
<tr>
<td>Spanish 101</td>
<td>4</td>
<td>C</td>
<td>4x3</td>
</tr>
<tr>
<td>Botany</td>
<td>4</td>
<td>B</td>
<td>4x4</td>
</tr>
</tbody>
</table>

TOTAL 16

Grade Point Total 65

The total of 65 divided by 16 will equal a grade point average of 4.06—"B" average.

For every curriculum there is a grade average specified which the students enrolled in that curriculum must maintain. If you fail to obtain the specified average, you are placed on probation for the next semester. If you fail to raise your average the next semester, you are dropped from school. To regain admittance, you must submit a petition to the Dean of your college. This does not necessarily mean that you will be readmitted.
CLASSES

In case you have been wondering about classes at the University, here are a few facts. Many courses do involve attending large lectures, but there are also small discussion groups provided in which the students may raise individual questions. The average class is composed of twenty-five students.

The first class usually begins at eight in the morning and the last one at four in the afternoon. However, your first class may begin at any hour during the day, depending on your class schedule. There are a few courses that hold classes in the evening, but these are exceptions. However, you may have a Saturday class. Classes begin on the hour and are dismissed after fifty minutes, providing a ten-minute break between classes.

This is an example of a typical weekly class schedule.

GENERAL

AUTOMOBILES

Freshmen under twenty-one years of age, and students on academic probation are not allowed to register to drive an automobile while under jurisdiction of the University of Illinois. The University restricts the use of motor vehicles by all undergraduates at Champaign-Urbana. Students, regardless of their age, who are eligible to have motor vehicles, must register them with the University and pay a fee of $7.50 each semester. Registration must be made at the Automobile and Traffic Division, Service Annex Building at 101 North Mathews Avenue.

BICYCLES

Regulations for bicycle riders will be distributed at registration. Question should be referred to the Automobile and Traffic Division.
WOMEN'S CLOSING HOURS

Regular: Week nights 10:30 p.m.
Monday through Thursday nights 1:00 a.m.
Sunday nights 11:00 p.m.

Special: Wednesday nights when classes are in session,
Juniors and Seniors not on academic probation 12:00 midnight
Nights preceding national holidays, Sundays excepted 1:00 a.m.
Registration Week, Final Exam Week, Vacations, Summer Session:
Week nights 11:00 p.m.
Friday and Saturday nights 1:00 a.m.
Sunday nights 11:00 p.m.

Students may not leave the house before 6:00 a.m. except by special permission of the house director.

CLOSING THE HOUSE

Houses shall be locked at the closing hour, and unlocked only by the house director except when house governments have been authorized to close. Here at the University of Illinois, students close the houses as a special function of house government. Key privilege is not to be given. A student may receive special permission to stay out later than the closing hours only from her house director or the Dean of Women. She may expect to receive this permission only on unusual and infrequent occasions.

CONDUCT (PERSONAL)

Students may be subject to discipline for any sufficient cause. The University reserves the right to exclude at any time students whose conduct is deemed undesirable or prejudicial to the University community's best interest.

Cheating on examinations is a cause for dismissal from the University. Plagiarism (using someone else's written work as your own) is a serious offense, and may be the cause for being dropped from a course.

Intoxicating liquor in any form and gambling shall not be permitted in and about University property or in student residences at any time.

FOOD DELIVERY

All deliveries of food must be made to the house before the closing hour.

GUESTS

All overnight guests shall be registered with the house director at the time of their arrival.
HOUSING REGULATIONS

Undergraduate, unmarried women students under twenty-five years of age must live in approved housing; all live under the same university regulations. On this campus, there are three types of housing: (1) sorority houses to which students are pledged during the rushing period, (2) University owned and operated residence halls, and (3) University approved organized independent houses. House directors are approved by the Dean of Women, and physical facilities of the halls or houses are inspected and approved by the Housing Division. Any requests for exceptions to the above must be presented to Miss Mary E. Harrison, Assistant Dean of Women, 100 English Building.

Any request to change housing during the semester contract period must have the approval of the Dean of Women and the Housing Division.

Information about all types of housing may be obtained from Coordinator, Women's Housing, Housing Division, 108 Illini Hall.

IDENTIFICATION CARDS

Carry your photograph-bearing identification card (I.D.) with you at all times. You will need it in University affairs, the Library, to cash checks, and in emergencies.

MEN CALLERS

Men callers in undergraduate women’s houses may be received only after 4:00 p.m. except on Saturdays and Sundays when they may call after noon. Men callers shall always leave at the regular closing hour. Undergraduate women shall not visit a fraternity or men’s living quarters at any time without an approved chaperon. They may do no soliciting or selling in any men’s housing unit.

OUT OF TOWN PERMISSION

All students must sign out with the house director before leaving the campus for an extended daytime trip, for overnight trips, or for the weekend. They must plan their trip so that they leave and return before closing hour.

Parental permission is not required for trips directly home. Students going other than home may do so under the following conditions:

FRESHMEN must have a letter of permission from parent or guardian on file with the house director for each overnight trip or extended daytime trip before they leave the campus.

SOPHOMORES, JUNIORS, AND SENIORS have the privilege of a general permission. This permission must be completed by parent or guardian and returned to the house
director on the form provided. If the parent does not grant such a permission, the student is subject to the same rules which apply to freshmen.

In ALL cases the student must obtain approval of her plans from the house director and list the following information:

- Time of departure, method of travel, visiting address, expected hour of return, and with whom she is going.
- The house director may require additional confirmation of plans when she deems it advisable.
- No student may stay overnight in town. Permission to stay overnight in another organized woman’s house may be arranged with the house director no more than three times a semester.

**QUIET HOURS**

Since the right atmosphere is necessary for study, the University requires that there be quiet hours Sunday, Monday, Tuesday, Wednesday, and Thursday from 8:00 a.m. until 12:00 noon, from 1:00 p.m. until 4:00 p.m., and from 7:30 until 10:00 p.m. Conditions throughout the house after 11:00 p.m. must be such that those wishing to sleep or study may do so. There shall be no loud talking, no unreasonable use of radios, or other excessive noises that might disturb sleep or study of other students or members of the resident family.

**YOUR ADDRESS**

You are responsible for keeping your correct campus and home address on file with the University. If you move after registration, register your new address with the Recorder’s Office, 100a Administration Building.
HONORARIES

To reward students for their scholarship and leadership in their respective fields, there are many professional and honorary organizations on the campus.

SCHOLASTIC AND PROFESSIONAL

To graduate with honors and to earn recognition for excellence in your major field is a goal to aim for. The list of honoraries is too long to include here, but they are described in the Undergraduate Study Bulletin.

ALL-UNIVERSITY HONORS

Honors day is observed annually as an occasion upon which the University of Illinois gives official, public recognition to those students who excel in scholarship. Those eligible for honors include undergraduate students who have distinguished themselves in scholarship during the two previous semesters, with the exception that in the case of freshmen the honors award is based upon the grades for one semester only. There are three classifications of honors.

Class Honors—for those students who are in the upper ten percent of their class in the respective schools and colleges.

College Honors—for seniors, juniors, and sophomores who are in the upper three percent of their class in the respective colleges and schools.

University Honors (Bronze Tablet)—those students who have been awarded College Honors in both junior and senior years, or other graduating seniors who have earned College Honors twice, and whose scholastic record for all semesters prior to the one in which they are scheduled to graduate are equal to or higher than the four-semester average of the lowest student currently chosen for University Honors from their school or college.

Phi Kappa Phi is a national scholastic honorary for graduating seniors among the upper four or five percent of their entire graduating class.

University of Illinois Scholarship Key—awarded to those students whose names have appeared in the Honors Day Program three times or have received College Honors twice.

ALPHA LAMBDA DELTA

For excellence in scholastic achievement your first semester or during your first year you may earn membership in Alpha Lambda Delta, a national scholastic honor society. All freshmen women who make an average of 4.5 in 15 hours of credit their first semester, or in
30 hours of credit their first year, are initiated into Alpha Lambda Delta.

Freshman women who earn a 4.0 point or better average at the end of the first eight weeks of the fall semester are honored at an Alpha Lambda Delta Scholarship Tea. This is a step toward full membership in Alpha Lambda Delta. Set your goals high.

To assist freshman women who have difficulty in some of their courses, the members of Alpha Lambda Delta have set up a special assistance program which is free of charge. To receive this aid, list your name with the Alpha Lambda Delta adviser, Office of the Dean of Women.

Alpha Lambda Delta members usher at the Dean of Women’s meeting in the fall and at Honors Day in the spring. Alpha Lambda Delta members who, at the end of seven semesters or equivalent thereof, have a cumulative grade point average of 4.5 or better, are awarded Senior Certificates at a special ceremony during their senior year.

**ACTIVITY HONORARIES**

The honor societies for women choose members each year for their outstanding contributions to the University community in leadership, scholarship, and service.

**ALPHA CHRON**

Alpha Chron, a sophomore women’s activity honorary, rewards independent women for leadership and service in campus and house activities during their freshman year. Each year the honorary conducts Watcheka Sing. The proceeds from this are supplemented by funds from W.G.S., and awarded to students as scholarships. Girls are chosen from their respective houses. A 3.35 all-University scholastic average is also required.

**SHI-AI**

Shi-Ai is a sophomore activity honorary for Panhellenic women. Shi-Ai’s are selected from their houses at the end of their freshman year for outstanding leadership and service, and must have earned the required 3.3 initiation grade-point. The projects of Shi-Ai include services to the campus and community, and the organization of the annual Shi-Ai Sing which takes place during the Mother’s Day Weekend. Proceeds from the Sing are used to maintain the Shi-Ai Scholarship Fund.

**TORCH**

Torch, the local junior women’s activity honorary organization, is composed of representatives from the campus activities, chosen at the end of their sophomore year by the Torch Council composed of
Torch president and women representatives from the major campus activities. Potential members must have a 3.5 all-University scholastic average. Each year Torch awards a scholarship to an undergraduate student attending the University. Torch members also serve the University by ushering at such functions as Honors Day. The orange scarf identifies those selected for membership. Tapping the new members takes place during the week before Mother's Day Weekend.

SHORTER BOARD

Shorter Board honors not more than thirty-five senior women who are outstanding in campus leadership and service, and who have maintained a 3.5 all-University average. Its symbol is the white cap and gown. Here, too, members are tapped in the spring at the same time as the other women's activity honoraries.

MORTAR BOARD

Mortar Board, the national senior women's activity honor society, recognizes not more than twenty-five women each year, who are recommended as having shown outstanding leadership, service, and scholarship (at least .5 above the current all-University women's average). Every year Mortar Board conducts a flower sale from which the proceeds are awarded to deserving students in the form of scholarships. Each spring the honored wear the traditional black cap and gown the day following tapping.
“Illini Wise”
"ILLINI WISE"

THE SUCCESSFUL MISS ILLINI

Effective study is the key to success and happiness at college. Procrastination (putting off), disorganization, and failure to ask for help in time are the greatest handicaps to the academic success of any student.

Consult your Illini Guide, the Dean of Women's Office, your college dean, or one of the many other services provided for you. Attending the University provides an opportunity for you to continue self-development with guidance. These years will challenge you to think, to create, to acquire knowledge for a professional degree, to help you gain a broader perspective for adult citizenship, and to develop a philosophy of life.

MANNERS

Everyone, even the most poised coed, faces new and difficult situations. Here are a few tips on manners that each coed should follow. Remembering these few rules will help you to be at ease in your new college surroundings.

Your residence here on campus is your "college home" and the girls that you live with are your "college family." It's up to you to make a sincere effort to help establish the same spirit of cooperation, sharing, and common courtesy here that exists in your family at home. Your actions at all times reflect on the girls you live with just as they would reflect on your family. For this reason, to become Illini Wise you should observe certain formalities.

At mealtime, the hostess at each table begins eating first. Wait for her to make the first move before you start. If you are unexpectedly late for dinner (and that should rarely happen) be certain to excuse yourself to the head hostess (usually the House Director) before you sit down.

Be certain that whenever your House Director or guests enter the room you **stand** to greet them. It is a good idea to introduce all of your guests to the House Director; she enjoys knowing your friends.

As students lead a friendly informal life on this campus, formal introduction are not necessary before speaking to someone on campus. Don't be shy about making introductions, or self-conscious about asking people their names again if you forget them. Everyone forgets a name now and then.

Finally, a few tips on dating. The Illinois campus has a casual atmosphere. Therefore, accepting dates with men in your classes or men whom you meet in different activities and large University functions is perfectly acceptable. Also, though weekend dates are
usually made a few days in advance, impromptu coke dates and blind dates can be lots of fun.

Remember, a real Miss Illini Wise minds her manners at all times whether she is in her residence, on campus, or on a date. Remember, too, moderation is always the best policy.

MONEY MATTERS

By now you have probably gone over your college budget again and again. Besides considering general expenses, you should budget for extras. Keep in mind, too, that meals are extra during registration week, as meals are generally not served during that time where you live. There are some other optional expenses during the first weeks which you may want to make provisions for, such as: A.A. book, Illio, Daily Illini, house dues, and books.

Tuition and fees are paid at the end of the registration process. If you pay by check, make it payable to the University of Illinois and make it out for the exact amount.

Room and board may be paid by the month or the semester according to your residence. Your housing contract will give you definite information on this.

Weekly expenses for you will vary according to your taste and budget. Here are some items which you may want to consider:

- Recreation. Movies, bowling, skating, etc. (Other facilities such as swimming pools and tennis courts are available free of charge.)
- Coffee, cokes, and other snacks.
- Weekly church offerings.
- Miscellaneous. Stationery, stamps, bus fare, soap, cigarettes, laundry, and cleaning.

Average allotment for these things is usually about $5.00 a week.

There is no University student bank on campus. However, you may want to arrange for a checking account in one of the community banks in Champaign or Urbana, or you may arrange an account in your home bank. You should never carry large sums of money or cash large checks. Traveler’s checks are convenient and safe. Always remember to carry some form of identification. The best form of identification is your I.D. (University identification) card, which you will receive at the time of registration.

THE RIGHT CLOTHES AT THE RIGHT TIME

Clothes may not make the woman, but to Miss Illini Wise they’re pretty important. And why not? You can have a lot more fun and self-confidence when you know you’re dressed appropriately. Maybe we can give you an idea of what to wear and when. Our campus is a very informal one. Casualness is the keynote to campus styles. But remember, casualness does not indicate lack of neatness!
Before buying a lot of new clothes for college, it's a good idea to find out what the current campus fashions are. Save some of your clothes allowance for when you arrive. Remember, too, that all your clothes will be new to the students here. The following chart is designed as an aid in selecting what to bring with you.

HISTORY AND TRADITIONS

Every student should have a knowledge of the history and traditions of her University.

HISTORY

The University of Illinois was founded on March 2, 1868, under the "Land Grant College Act" signed by Abraham Lincoln. This act gave public lands to the states to make advanced education readily available to people of high ability.

Since its founding, the University has grown from 50 students and three faculty members to more than 20,000 students and 9,400 faculty and staff members spread over three campuses.

At the Champaign-Urbana campus, the University offers four years of undergraduate study, plus advanced work through its Graduate College.

The two-year Chicago Undergraduate Division, located at Navy Pier in Chicago, offers the first two years of undergraduate work which may be transferred to downstate campus for full credit. Also located in Chicago are the University's professional colleges of Medicine, Dentistry, Pharmacy, and Nursing.

The University offers undergraduate, professional, and graduate training in almost every field of human interest or endeavor. The University serves the student, the state, the nation and the world through its educational research and public service programs.

In spite of the size of the University, the student is able to select a program of education, recreation, and extra-curricular activities to meet her own needs and desires.

TRADITIONS

Under its motto "LEARNING AND LABOR" the University has built up an impressive list of accomplishments together with campus traditions developed over the years. Some of these are listed below.

COLORS

The colors of the University are orange and navy blue.

NAME

Its students and alumni are called Illini (pronounced "i-lie'-nigh") which means "brave men."
GENERAL TRADITIONS

PEP RALLIES

Every Friday night before a home football game, students gather to cheer the “Fighting Illini” on to victory.

BLOCK I

Two groups of students form East and West Block I’s and perform during half-time at football games. By flashing different colored cards, on signal, they form patterns, pictures, and scenes for the crowds at Memorial Stadium.

ILLINOIS LOYALTY

All Illini stand and men remove their hats when the “Illinois Loyalty” is played. The words to this song are given later in this section. Illini always rise for the loyalty song of a visiting school.

CHIEF ILLINIWEK

The Illinois symbol is the Indian, represented by Chief Illiniwek who is chosen from the student body. He parades with the football band at games where he performs a ritualistic dance at half-time, extends greetings, and sometimes offers a peace pipe to the visiting “tribes.”

ILLIBUCK

The Illibuck is a wooden replica of a giant turtle which is given to the team winning the Ohio State-Illinois football game each year. Either Sachem of Illinois or Bucket and Dipper of Ohio State, junior men’s honoraries, is given custody of Illibuck between games.

HOMECOMING

Homecoming weekend originated in 1910 at the University of Illinois and is now one of our most festive weekends. Stunt Show, dances, house decorations and, of course, the Homecoming game bring alumni back to campus every fall.

DANCES

Some of the dances traditionally given in the fall are the fall registration dance and the Homecoming dance sponsored by the Union; and the MRHA Ball, Panhellenic Ball, and MIA-WGS Sno-Ball, sponsored by the housing groups. Dances that are traditionally given in the spring include St. Pat’s Ball, sponsored by the Engineering students as a climax to Engineering Open House; Interfraternity Ball sponsored by IF Council; Plowboy Prom, sponsored by the Agriculture students as a climax to the Farm and Home Festival; and the Spring Registration Dance sponsored by the Union.
DAD'S DAY WEEKEND

Dad's Day is an event that began here at the University in 1920. The weekend includes a football game, where King Dad and all the other Dads are honored; Dad's Day Revue, a variety show sponsored by MIA-WGS, as well as other shows and events sponsored especially for them.

SPRING EVENT

A campus spring event is sponsored by the Illini Union each year. The proceeds of this event are usually donated to Campus Chest, the organization responsible for administering funds to charities.

MERC WEEK

MERC Week, "Men's Economic Recovery Week," is one week out of the year when Illinois women do the asking, planning and paying for dates. The girls light the fellows' cigarettes, open doors for them, show them home after a date, etc.

MOTHER'S DAY WEEKEND

Another Illinois tradition is the annual Mother's Day Weekend held the week before National Mother's Day. This custom, like Dad's Day, began at Illinois in 1921. It is one of the major events of the spring. Some of the highlights of this weekend are the processional and the crowning of the May Queen and the Spring Musical.

HONORS DAY

Honors Day is held the Friday of Mother's Day Weekend and is observed by a convocation at which the University of Illinois gives public recognition to those students who excel in scholarship. The various honors (Class, College, and University) are announced as are the names inscribed on the Bronze Tablet, which is a plaque hung in the library bearing the name of the members of each graduating class who have been outstanding in scholarship during their junior and senior years.

FOUNDER'S DAY

On March 2, a program is planned to commemorate the founding of the University in 1868. Representatives of the various campus activities meet and place a wreath on the grave of the First Regent of the University, John Milton Gregory, who is buried between Altgeld Hall and the Administration Building. The grave of the President bears the inscription "If you would seek his monument, look about you."
TWILIGHT CONCERTS

Ever since 1909, spring twilight concerts have been favorite hours of relaxation on Wednesday evenings. The concerts, presented by the University of Illinois bands, are held on the steps of the Auditorium, while the audience sits on the grass of the Quadrangle. The concerts begin at the end of April and continue throughout the summer session.

GREEK WEEK

For one week, the Greeks of both Panhellenic and Interfraternity engage in activities designed to strengthen inter-Greek and Independent-Greek relations.

MORROW PLOTS

The Morrow Plots, the oldest agricultural experimental fields in the world, have been under constant cultivation since 1876. They are located at the corner of Gregory Dr. and Mathews.

THE LINCOLN TABLET

One of the most respected memorials on the University campus, is a bronze tablet of Lincoln’s “Gettysburg Address.” It is located on the wall of the lobby of Lincoln Hall.

ROBERT ALLERTON PARK

This park with formal and informal gardens, statuary, woodlands, and picnic area—an endowed gift—is 26 miles southwest of Urbana-Champaign, near Monticello, reached via Routes 10 and 47. Allerton House is a busy year round conference center.

THE BROADWALK

In earlier days of the University, the wide walks on the inner side of the Quadrangle were called the Boardwalk; when they were torn up and the boards replaced with paving, the name was changed to the “Broadwalk,” although the official name is Burrill Avenue.

THE ALTGELD CHIMES

The chimes in the Altgeld Hall Tower, which give the time every quarter hour, can be heard over the entire campus. Concerts are played on the carillon on Founder’s Day, just before Christmas, and occasionally during the week and at noon on Sundays.

“A TRUE ILLINI NEVER CUTS”

. . . classes or across the grass. The double connotations of this slogan serve to remind Illini to refrain from marring the beauty of the campus by making footpaths across the lawns, and also to remind the students that “cutting classes” is not advisable.
SOME ILLINI FIRSTS

1897—First state-supported school of music in the U. S.
1901—The first Dean of Men in the world
1902—First Collegiate Cheerleader
1910—First Homecoming Celebration
1913—First campus church foundation, Wesley Foundation (Methodist)

YOUR SONGS

ILLINOIS LOYALTY

We're loyal to you, Illinois,
We're "Orange and Blue," Illinois,
  We'll back you to stand
 'Gainst the best in the land
 For we know you have sand
 Illinois. Rah! Rah!

So crack out that ball, Illinois,
We're backing you all, Illinois,
  Our team is our fame protector
 On! boys, for we expect a
 Victory from you, Illinois.
    Chehe-Cheha, Cheha-ha-ha
    Chehe-Cheha, Cheha-ha-ha

Fling out that dear old flag of Orange and Blue
Lead on your sons and daughters fighting for you
  Like men of old, on giants,
   Placing reliance,
    Shouting defiance—
     Oskee-wow-wow.

Amid the broad green plains that nourish our land,
For honest labor and for learning we stand,
And unto thee we pledge our heart and hand,
    Dear Alma Mater, Illinois.
HAIL TO THE ORANGE

Hail to the Orange,
Hail to the Blue,
Hail Alma Mater,
Ever so true.
We love no other,
So let our motto be:
Victory, Illinois
Varsity.

PRIDE OF THE ILLINI

We are marching for dear old Illini,
For the men who are fighting for you.
Here's a cheer for our dear Alma Mater;
May our love for her ever be true.

As we're marching along life's pathways,
May the spirit of old Illinois
Keep us marching and singing
With true Illini spirit
For our dear old Illinois.

OSKEE-WOW-WOW

Oskee-wow-wow, Illinois,
Our eyes are all on you,
Oskee-wow-wow, Illinois,
Wave your orange and your blue.
Rah! Rah!
When the team trots out before you,
Ev'ry man stand up and yell
Back the team to gain a victory,
Oskee-wow-wow, Illinois.

We hope this handbook has helped to answer some of the many questions you must have about your University—the University of Illinois. We also hope you will keep this book for reference, not only during the first few weeks of school but throughout your college years.

We know you must be very eager to come to our University. We hope you will find the University of Illinois to be more than just classrooms, books, lectures, and hour exams. It's the familiar tolling of the Altgeld chimes—the laughter of men and co-eds strolling down the Broadwalk. More than all this, it's your University and you know you're a real Illini from the thrill you feel whenever you hear "Hail to the Orange."

Good luck to you in a wonderful new adventure. We'll see you in September.

The Coeds of Illinois.
