RESEARCH SHOWCASE

GSLIS

GRADUATE SCHOOL OF LIBRARY AND
INFORMATION SCIENCE
The iSchool at Illinois

Join Chancellor Phyllis Wise as she opens the Graduate School of Library and Information Science (GSLIS) Research Showcase. Faculty and Ph.D. students from GSLIS present short talks and a poster session highlighting their scholarly work. Among others, topics include data curation, librarianship, community informatics, information retrieval, metadata, children's literature, cultural history, and information behavior. A reception follows the poster session.
