The Local History and Genealogy Reference Section of the Library of Congress has acquired an eight-volume typewritten index of marriages reported in the *Massachusetts Centinel* and the *Columbian Centinel* from March 24, 1784, to April 29, 1840. The value of the list lies in the fact that the *Centinel* copied marriage records from all newspapers received in exchange from various parts of the country, including many from the South and West. The list was compiled with W.P.A. aid by the American Antiquarian Society and includes about eighty thousand names.

An excellent collection of the works of Washington Irving has been given to the University of Rochester Library by Mrs. C. Schuyler Davis of Rochester. The gift consists of about seventy-five titles, most important of which is a complete set of the first edition parts of the *Sketch Book*. With few exceptions, the run of Irving firsts is complete. An Irving letter is also in the collection.

Mrs. Charles Hoeing of Rochester has given the library of the University of Rochester a fund from which first editions of eighteenth century English authors are being purchased. Dryden, Pope, Gay, Swift, and Defoe items are the specialties which have been acquired, together with other material of significance to the literary history of the period. John R. Russell is librarian of the University of Rochester.

The Franklin D. Roosevelt Library at Hyde Park has recently received the correspondence of President Roosevelt covering his activities as a leader in New York State politics during the years 1913-20. Other papers received include a diary covering the first three years of his service as Assistant Secretary of the Navy, 1913-16.

News from

Among the new collection of papers of General William Tecumseh Sherman presented to the Library of Congress by Eleanor Sherman Fitch, of New York City, granddaughter of General Sherman, are a draft largely in General Sherman's own hand of his *Memoirs* and a group of copies of letters written by General Sherman to other military leaders during the memorable march from Tennessee through Georgia and the Carolinas, 1862-65. Also included are more than eighty letters from General Grant to General Sherman, most of them autograph letters, signed, continuing far beyond the war period through Grant's presidency.

Since May 1942 the Library of Congress has been issuing in mimeographed form a *Monthly Public Information Bulletin*. It contains notes about exhibits, important acquisitions, library publications, library schedules, and other information of interest to the public. Copies of the *Bulletin* may be obtained free upon application to the Publications Office of the Library of Congress.

A library of two thousand volumes and more than four thousand unbound books and pamphlets dealing with significant social legislation of the past fifty years in the United States, Puerto Rico, and Great Britain has been given to the Columbia University Libraries, C. C. Williamson, director, by Samuel McCune Lindsay, professor emeritus of social legislation. Unpublished manuscripts, correspondence, and reports are also included in the collection, which relates to the official and unofficial activities of Professor Lindsay during half a century of teaching, research, and public service.
A Netherlands studies unit has been established in the Library of Congress under the auspices of the Foundation for Netherlands-American Cultural Activities of New York City. The new project will prepare special bibliographies and will act in a consultant capacity, surveying the library’s collections and answering difficult inquiries in this field. Dr. Bartholomew Landheer, of the Netherlands Information Bureau, New York, has been appointed director.

The Atlanta Junior Members have compiled a *Georgia Authors’ Bibliography, 1900 to 1940*, which includes books written by Georgians during this period. It is mimeographed and copies may be secured from Teresa W. Atkinson, Insurance Library Association, 534 Hurt Building, Atlanta.

The Presbyterian College Library, Willard Jones, librarian, has been completed and is now occupied. It was constructed as a W.P.A. project costing $130,000 and is owned jointly by the city of Clinton, S.C., and the college. It has a book capacity of one hundred thousand volumes.

The Carrier Memorial Building which houses the Carroll College Library, Waukesha, Wis., was dedicated on May 17 with Carl M. White, University of Illinois Library, as the speaker. It is modern in design and will house seventy-five thousand volumes. Hanna Elsa Krueger is acting librarian.

The informal Conference of Colorado College Librarians has now completed two of its projects and has a preliminary report on the third. The completed projects are: (1) A compilation of all periodicals currently received by the various Colorado college libraries; (2) A list of the course offerings of the various institutions by subject field, which has been rechecked by all the institutions and which will be turned over to the Association of College Presidents in the near future. A preliminary fifty-two-page report on cooperative cataloging has been prepared and will constitute the basis for the discussion of the conference this year.

The Chapman Memorial Library of Milwaukee-Downer College has received a gift of four thousand volumes from Mrs. G. E. White, of Milwaukee. The collection is particularly rich in books of art, travel, and Shakespeareana. Maude Mitchell is librarian.

The Union Catalog of Art Books in Chicago, in process of compilation since August 1940, now offers assistance in locating books in the fields of art, archaeology, book arts, landscape architecture, numismatics, etc. It contains some fifty thousand main entries, representing the art material in the Art Institute of Chicago (Ryerson and Burnham), Chicago Public, Field Museum, John Crerar, Newberry, and University of Chicago libraries.

The catalog, sponsored by the Department of Art of the University of Chicago and housed in the art building on the university campus, was assisted by a grant from the Carnegie Corporation of New York to provide an editor for three years and by the Chicago Public Library (W.P.A.) Omnibus Project which supplied a number of workers. The editor, Ruth E. Schoneman, will be glad to answer inquiries.
The Rocky Mountain Screen Club has presented an endowment of five thousand dollars for a library of Motion Picture Arts and Sciences to be housed in the Mary Reed Library. The principal books and journals in the field will be bought, together with stills, programs, and other miscellaneous items.

The library of the Graduate School of Business, Stanford University, has received as a gift the major portion of the account books, minute books, and correspondence of the Pacific Improvement Company and its subsidiaries. The collection consists of 279 ledgers, journals, and minute books, 42 transfer cases of correspondence, and 150 drawers of vouchers. The period covered is from 1868 to 1925. The Pacific Improvement Company is the successor to two earlier companies formed by Stanford, Huntington, Hopkins, and Crocker: the construction and finance company which built the Central Pacific and the Western Development Company which was organized to construct the Southern Pacific Railroad.

Lois E. Engle-Personnelman, formerly librarian of Frances Shimer College, Mount Carroll, Ill., has been appointed librarian of Colby Junior College, New London, N.H., to succeed Mrs. Mildred Peterson McKay, who has joined the staff of the Springfield, Mass., City Library Association.

The Encyclopaedia of Sports, Games, and Recreations

Due to the present world conditions, active work on the proposed Encyclopaedia of Sports, Games, and Recreations is being suspended. Action to this effect was taken at the Milwaukee meeting of the Board of Directors of the Association of College and Reference Libraries, on the recommendation of the encyclopaedia committee. This action has the unofficial approval of the American Association for Health, Physical Education, and Recreation, the cosponsors.

While completion of the plans for this project are thus postponed, it in no sense means that the project will be dropped. The committee is being kept intact with the definite purpose of maintaining the organizational setup so that progress may continue at the earliest possible favorable moment.

The status of the project at the time it went on the inactive list was this: Preliminary plans, including a tentative budget, estimate of length, details of editorial supervision, and an outline of scope and procedure were in the hands of the full joint committee at the time of Pearl Harbor. Before replies and criticisms were returned to the general chairman for consolidation, events took place that made material changes necessary. It is hardly necessary to add that rising prices and priorities—both as to materials and personnel—made it desirable if not necessary to delay final plans. The whole-hearted support that this project demands and which it had had previous to Pearl Harbor, is for obvious reasons not present today.

While we regret our inability to proceed at this time, we feel that the project is worthy of the best and therefore worthy of delay. The general chairman and others of the joint committee will devote such time and effort as war conditions permit to perfecting the plans and working out kinks of procedure with the view to having the final plans ready soon after peace is obtained. It is believed that the need for an Encyclopaedia of Sports, Games, and Recreations will be even greater when the war is over. Interest and participation in these activities, as after the last war, is expected to increase materially.

Persons desiring more complete details regarding the project or who have suggestions or criticisms to offer are encouraged to communicate with the undersigned.

Wilson M. Ranck,
General Chairman
Encyclopaedia of Sports,
Games, and Recreations

DECEMBER, 1942 87
The Publications Committee of the A.C.R.L., appointed by President Coney, consists of the chairman, a representative from each of the six sections of the A.C.R.L., and the editor of College and Research Libraries ex officio. The representative of the A.C.R.L. on the A.L.A. Editorial Committee is also an ex officio member of the publications committee. At present he is a member of the University Libraries Section.

The committee wishes to emphasize at the outset that it does not contemplate an elaborate program of publication planning. If the times were normal, it might properly begin its activity by circularizing a select group of the membership for an opinion regarding fundamental needs in publication. This in itself is not a difficult or expensive task but without an intensive follow-up, work may have a way of becoming buried in the chairman’s files. Furthermore, if the committee were to embark on an extended program of initiating publications and research now it would probably have to find funds from some external source. Such funds as are now available from internal sources should be devoted to the support and development of College and Research Libraries. This is not to say that the committee is opposed to individual or organized research at this time. There is opportunity in a number of fields of the Association’s activities for individual research and publication and there are also many desirable publication projects beyond individual resources which must necessarily be planned and carried out with the help of adequately equipped and financed organizations. Since this is true, it would seem that the publications committee, representing all sections of the Association, would be the logical body to aid in planning and carrying out cooperative projects.

For a trial period, at least, the committee feels that its immediate task is to consider projects or publications that may be presented to it, either by individuals or organized groups of the A.C.R.L., and to report such publications with its recommendations to the A.L.A. Editorial Committee. A cordial invitation is extended to all members of the Association to comment on proposals which should be undertaken or on projects now under way.

The committee will normally meet once a year at the annual conference to discuss projects or publications which have been presented to it. It is understood, of course, that much of the committee’s planning activity, consideration of outlines, manuscripts, etc., will likely be done by mail and that decisions will not have to await a full meeting of the committee at midwinter or annual conferences.

The members of the Board of Directors met at luncheon in Parlor B of the Schroeder Hotel on June 23. The directors present were President Donald Coney, Vice President Mabel L. Conat, Past-President Robert B. Downs, Secretary Benjamin E. Powell, A.C.R.L. Directors Etheldred Abbot and Winifred Ver Nooy, Section Directors: Fina C. Ott, College Libraries, Lois E. Section chairmen present were: Lucia Haley, Agricultural Libraries (The Agricultural Libraries Section meeting was held on Monday, June 22), Anna M. Tarr, College Libraries, Maysel O'H. Baker, Junior College Libraries, Charles V. Park, Libraries of Teacher-Training Institutions, Fanny A. Coldren, Reference Librarians, and Harold L. Leupp, University Libraries. Others present by invitation were Charles F. McCombs, A.C.R.L. representative on the A.L.A. Council; Ralph E. Ellsworth, chairman of A.C.R.L. Committee on College and University Library Buildings; Samuel W. McAllister, chairman, A.C.R.L. Committee on Constitution and By-Laws; Thomas P. Fleming, A.L.A. Committee on Importations; Wilson M. Ranck, chairman of Committee on Encyclopaedia of Sports and Games; Carl M. White, editor in chief, College and Research Libraries.

In view of publication in the June 1942 number of College and Research Libraries, the minutes of the last meeting were not read but approved as published.

Thomas P. Fleming, of the A.L.A. Committee on Importations, reported on the status of foreign importations and especially on the work of the joint committee. Axis publications held by the British in Bermuda have been released and await transportation to this country, where they must be passed by the State Department before being released to subscribers. The joint committee has prepared its report to libraries seeking to secure through it certain Axis technical journals and is ready to inform these libraries of their share in the $250,000 permitted by the State Department to be spent in Axis countries. Mr. Fleming reported that payment must be made in Swiss francs, which at present are 30 per cent higher than normal. Some discussion followed this report.

Ralph E. Ellsworth gave a brief report on the work and plans of the A.C.R.L. Committee on College and University Library Buildings.

Wilson M. Ranck next reported the progress his committee had made on the Encyclopaedia of Sports and Games. He was authorized to prepare a similar statement for publication in physical education and library journals. The committee was continued.

The chairman of the A.C.R.L. Committee on Constitution and By-Laws, Samuel W. McAllister, presented a proposed amendment to the By-Laws of A.C.R.L. as follows:

Article V. Chapters

State, regional, or local chapters of the Association of College and Reference Libraries may be established by the Board of Directors on the petition of twenty members of the Association of College and Reference Libraries resident in the territory within which the chapter is desired and according to the following regulations:

(1) Each chapter may establish its own constitution and by-laws.

(2) Chapters may be discontinued by authorization of the Board of Directors of the Association of College and Reference Libraries.

(3) At least one meeting shall be held each year.

(4) Each chapter shall send a report of its meetings to the Secretary of the Association of College and Reference Libraries at

DECEMBER, 1942
least two months before the annual conference of the American Library Association.

Article VI. Vacancies
(Number of the article changed from V to VI.)

Article VII. Years
(Number of the article changed from VI to VII.)

Article VIII. Rules of Order
(Number of the article changed from VII to VIII.)

After discussion, it was
VOTED to strike out “twenty” in the first paragraph and substitute “a sufficient number of.”

After more discussion, it was
VOTED to strike out “authorization” in item (2) and substitute “action.”

The amendment was approved in this form for presentation at the general session. It was the feeling of the board that chapters might levy and collect local dues.

Chairman McAllister next presented a proposed amendment to the Constitution of A.C.R.L. as follows:

Article VI. Board of Directors.
Section 2. Members.

The board shall consist of the president, vice president, retiring president, secretary, treasurer, three directors-at-large, the directors elected by sections, AND THE ASSOCIATION REPRESENTATIVES ON THE AMERICAN LIBRARY ASSOCIATION COUNCIL WHO ARE SERVING THE LAST YEAR OF THEIR TERMS.1 The chief officer (or, in his absence, the vice chief officer or the retiring chief officer, in this order) of each section is an ex officio member without vote.

The Board of Directors indicated its approval of the proposed amendment and recommended that it be presented at the general session for vote of the membership of A.C.R.L.

In the absence of the Treasurer, the following financial report was read by the President:

Carl M. White, editor in chief of College and Research Libraries, asked whether the Board of Directors would be willing to allocate an additional $150 to permit a ninety-six-page September issue of the journal instead of an eighty-page one. It was

moved and seconded that an additional $150 be allocated. Upon motion, it was
VOTED that the motion be tabled.
Consideration was next turned to the matter of increasing permanently A.C.R.L.'s support of College and Research Libraries. After discussion, it was moved that the President be authorized to use up to $1000 for the support of the journal and given discretion to utilize the full amount needed as conditions warrant. The motion then was revised to read, $1200.
A substitute motion that A.C.R.L. take over the entire cost of College and Research Libraries was made. After further discussion, it was
VOTED that beginning January 1, 1943, A.C.R.L. should take over the entire cost of publishing College and Research Libraries.
The board agreed that John S. Richards, who recently transferred from the University of Washington to the librarianship of the Seattle Public Library, should continue to serve as an A.C.R.L. representative on the A.L.A. Council.
A petition for an A.C.R.L. section of Engineering School Libraries was received from Harold Lancour, chairman of the organizing committee for the group. The petition was signed by twenty-five members of A.C.R.L. It was
VOTED to accept the group as a section and the Secretary was authorized to so notify Mr. Lancour.
On December 28, 1940, the Board of Directors voted to "admit to A.C.R.L., A.L.A. life members joining prior to 1939 and institutional members without charge or allotment in 1941." At subsequent meetings of the board this decision was renewed. After brief discussion it was, upon motion
VOTED to continue this decision for the present (1942) and to appoint a committee to study the matter and bring recommendations to the board relative to the permanent status of A.L.A. life and institutional members in A.C.R.L.
It was the consensus of the board that J. Periam Danton and Charles F. McCombs, A.C.R.L. representatives on the A.L.A. Council, who were drawn for one-year terms last December by the Committee on Council Terms, should continue in office until successors are elected in 1943. (This action is, of course, subject to the approval of A.L.A.) It was suggested that in order to keep the terms in line, the successors to Danton and McCombs be elected for three-year terms or, if the election is for a four-year term, it should be retroactive to June 1942.
Upon motion, the meeting adjourned at 3:30 P.M.
