Music hath charms
but needs modern equipment too

LB meets that need
with these record shelves

Your library doubtless is planning to increase facilities for listening to recordings of music and literature. In libraries everywhere, from the smaller cities to Harvard's great Lamont Library, with its "vocarium" rooms, this service is rapidly becoming a widely used feature.

Library Bureau, as always, is ready to help you with equipment appropriate, beautiful, and long-lasting. The record shelves shown are designed and built to add greatly to the listener's pleasure, and to harmonize with your other fine library furniture. (Since the record shelves are adjustable in height, this shelving can be used for other purposes at any time you wish.)

Library Bureau — Originator of Specialized Library Equipment

These record shelves are available in 3 sizes, as follows:

- Shelving, 5-shelf height (illustrated). Catalog No. 7737, with 7700-119P record shelf installed.
- Shelving, 3-shelf height, Catalog No. 7746, with No. 7700-119P record shelf installed.
- Shelving, 2-shelf height, Catalog No. 7722.1, with No. 7700-119P record shelf installed.

All are made of high quality Birch, available in standard finishes.
