A BIBLIOGRAPHIC CLASSIFICATION

Extended by Systematic Auxiliary Schedules for
Composite Specification and Notation

by Henry Evelyn Bliss

"More comprehensive and accommodating than any
other published scheme."—W. C. Berwick Sayers

The Bliss Classification is a significant landmark in the progress of classification. Based on the consensus of modern thought it gives an accurate view of the interrelation of the sciences and the other branches of knowledge. Thanks to its careful provision of alternative locations, it is remarkably adaptable, and its notation is the most economical in the history of classification.

The new edition will again have many valuable introductory pages, Synopsis, and Systematic Schedules, and will include:

Classes A-G: Philosophy, Mathematics, Natural Science

Classes H-K: Anthropology, Hygiene, Medical Sciences, Psychology, Education, Sociology, Ethnography, Human Geography

The final volumes III and IV are scheduled for publication in February.

**Economize on Printed Catalog Guides!**

...Replace broken guides individually instead of buying a complete new set!

- Gradual replacement with Tilted Tab Guides and Printed Headings is a sound plan to follow. No need to buy expensive sets containing many guides you'll probably never need. Gain the advantages of "two position tab" uncluttered filing.

  Main headings go in left tabs and secondary headings go in center tabs. This leaves an "aisle" at the right for "Locator Cards" when supplementary material on a subject is available (audio-visual, etc.).

  See the Gaylord catalog for prices or write for Tilted Tab Guide circular.

No comment or pronouncement can be cited as official endorsement of the Association of College and Reference Libraries or of the American Library Association. Such action can only be taken through a formal vote of the associations. Subscription price: to members of the Association of College and Reference Libraries paying American Library Association dues of $6.00 or more, $2.00 per year, included in the membership dues assigned by ALA to ACRL; to members paying less than $6.00 and to nonmembers, $4.00 a year.
