One thing in common —

magical new space

by Hamilton

College library, medical research library, public library—and each with *twice* the standard book-shelf space, thanks to ingenious Compo Stacks by Hamilton. For Compo shelves *slide out* — an exciting new idea in book arrangement, to permit maximum utilization of all available space.

We'll gladly send more information on Compo Stacks—on Hamilton's entire modern steel book-stack line—if you'll write us now.
