the New Trend

for your library planning

Your library planning becomes easier, more certain when you bring together the needs of the librarian; the skills of the architect; the experience of a Library Bureau specialist. Here is the new "trend" in library planning . . . the "trend" that is providing America with its finest libraries. And, constantly keeping pace with this trend is Library Bureau's TREND furniture . . . distinctively modern, yet timeless in its simplicity, beauty and durability.

TREND Color Line Square-Round Table and the new Cherner Chair.

TREND Steel Carrel Study Table with fluorescent reflector lights.

TREND Closed Base Card Catalog Cabinet and reference table.
