The Best of Reverent Research

More and more, *The Interpreter's Bible* is replacing all other biblical references because it is so complete and because it is so easy to use. The Working Page of *The Interpreter's Bible* has the double text, the exegesis, and the exposition all on one page for easier study. No other commentary has this unique arrangement.

Since *The Interpreter's Bible* is the most used Bible commentary, it should be in every library. "In this work one finds a richer understanding of the entire New Testament and the detailed unfolding of the very truths at the heart of the Christian faith."—*Association of American Colleges Bulletin*
