# Facts About THE Presidents

By Joseph Nathan Kane

Author of "Famous First Facts"

1959 ★ 360p. ★ Illus. ★ \$6

**E**VERY VITAL KNOWN FACT—almost without exception—about the Presidents of the United States, will be found in this book. In Part I a chapter is devoted to each President in chronological order. Personal data and family history are followed by facts on elections, congressional sessions, cabinet appointments and the vice president, as well as highlights of the President's administration. Part II includes collective data and statistics on the presidents as individuals and on the office of the presidency.

"No more useful volume than this will come the way of reference workers during the forthcoming election year. Recommended for all reference collections."  
*Library Journal*

"This book is probably the most readily useful ever published on its subject. . . Librarians, teachers, editors and all serious students of politics will find it invaluable."  
*Milwaukee Journal*

"It is a fact-filled volume, amazingly foresighted in the answers it provides to questions which will certainly be asked."
