THE INTERPRETER'S BIBLE

“One of the most thoroughly prepared commentary publications.”—American Library Association

The number of users of The Interpreter's Bible increases every year. So complete and comprehensive is The Interpreter's Bible that many find it the only commentary they need. Provide your patrons with The Interpreter's Bible. Put at their finger tips the utmost in biblical scholarship and interpretation. Remember, only The Interpreter's Bible has all these features:

Both the King James and Revised Standard versions of the text, the exegesis, and the exposition of each verse all on the Working Page; introductions to each book; general articles on each Testament and on the Bible as a whole; many illustrations and maps; lifetime binding.

“A comprehensive Bible commentary that focuses the vast findings of modern scholarship on the meaning of every passage.”—Association of American Colleges Bulletin

You'll gain more space—much more space—with COMPO BOOK SHELVES

This is the heart of the Hamilton Compo System

Everything accessible; all types of books, records, films, charts, periodicals, newspapers, other items.

Without adding a square inch of floor space, Hamilton Compo stacks give you at least twice as much storage capacity as ordinary shelving.

When the sliding Compo shelf is pulled out, the books are more easily accessible than on a straight shelf—and when not in use, it slides back into the stack, out of the way. Books may be stored on both sides, and on the front compartment of the shelf. Moving dividers make Compo adaptable to many items—which can be filed in vertical or horizontal position. Books are easier to identify and to handle.

Compo equipment is mechanically strong, operates easily and quietly, can be quickly installed—without basic structural changes. Write now for complete information on Compo, including stack, drawer, and construction details.

THE AEROPLANE, an historical survey by C. H. Gibbs-Smith
This study of the development of the aeroplane assesses aeronautical inventions and developments, and includes a table of early flights and flight attempts, a chronology of aviation, glossary and bibliography.

The finest survey history of the aeroplane that has yet been compiled—Marvin W. MacFarland, Head of the Aeronautics Section, Library of Congress, in a lecture to the Washington History of Science Club, 1960.

388 pages with illustrations $6.50

CATALOGUE OF THE CONSTABLE COLLECTION by Graham Reynolds
The catalogue reproduces and comments on the Constable collection in the Victoria and Albert Museum. Every phase of Constable's career is represented; the arrangement is chronological, and each year's work is annotated biographically. Libraries, art galleries, collectors, and students of British painting will find it indispensable to the study of Constable's work.

260 text pages, 596 illustrations $23.15

THE FASHIONABLE LADY IN THE 19TH CENTURY
This volume presents a group of selected plates for each fifth year throughout the century, and includes both day and evening dresses.

190 pages, with over 200 illustrations $2.80

UGANDA, by Harold Ingrams.
The sixth volume in the Corona Library Series, a series of illustrated books dealing with the dependent territories of the United Kingdom, the way their people live and how they are governed. Mr. Ingrams visited Uganda at a turning point in its history, and writes vividly of what he has seen.

384 pages, illustrated $5.60

BRITISH INFORMATION SERVICES
45 Rockefeller Plaza
New York 20, N. Y.
Load it with books or supplies — this sturdy truck moves smoothly and noiselessly with the slightest touch. You'll like the quiet shelves, protected underneath by "noise dampeners", and the comfortable curved handles that give you clearance from the load.

The Gaylord No. 42 — 2 shelf Book Truck is of all welded steel construction for longer, more useful life. It moves easily on ball bearing, swivel type casters with four inch wheels. The harmonizing Desert Sand color with infra baked finish stays new looking.

A versatile book truck at a budget appealing price. Shipped assembled, ready to use.
Transportation charges paid.

Please write for complete information.
