MUSKINGUM COLLEGE

Pioneering spirit marks the history of Muskingum College—and guides its future. Chartered in 1837 in New Concord, Ohio, Muskingum was one of the earliest liberal arts colleges to organize a study program in general education as a basis for later concentration and specialization.

Muskingum is now engaged in a ten-year development program with the educational goal of meeting the needs of tomorrow's students. A major aspect of this program is the college's new library. This modern structure, planned for present and for increased future enrollment, provides complete study facilities and will house approximately, 120,000 volumes. Globe-Wernicke study carrels, desks, steel book stacks, and other high quality library equipment are part of this library.
