---

College and Research Libraries, the official journal of the Association of College and Research Libraries, a division of the American Library Association, is published bimonthly—January, March, May, July, September, November—at 1407 Sherwood Avenue, Richmond 20, Virginia. Change of address notices, undeliverable copies, and orders for subscriptions should be addressed to American Library Association, 50 East Huron Street, Chicago 11, Illinois.

Subscription to CRL is included in membership dues to ACRL of $6 or more. Other subscriptions are $5 a year; single copies, $1.25 or $1 each for five or more copies.

Manuscripts of articles and copies of books submitted for review should be addressed to the Office of the Editor, School of Library Service, Columbia University, New York 27, New York.

Inclusion of an article or advertisement in CRL does not constitute official endorsement by ACRL or ALA.

Second-class postage paid at Richmond, Virginia, and at additional mailing offices.

MICRO PHOTO INC

Duplicates books as originally printed and bound!

Offered for the first time—a long-needed service for duplicating material printed on both sides of a page—without the disadvantages of ordinary one-sided electrostatic reproduction methods.

Page-for-page exact reproduction by DUOPAGE* means that page numbers are no longer partly hidden in bindings. If page numbers appeared in the outer margins of the original book—that’s where they are on DUOPAGE* reproductions.

The traditional order of pagination is maintained, too, with the DUOPAGE* method—page one on the right-hand leaf, page two on the reverse of page one, etc.

These advantages and improvements plus the single sheet printed on both sides make DUOPAGE* the only exact electrostatic reproduction method available.

DUOPAGE* reproductions are made on quality rag paper, and volumes are supplied bound or unbound. Write Micro Photo Inc. to find out how to replace volumes in your library with DUOPAGE*.
