Full-Size Copies in 30 Seconds!

Thanks to the new Microcard Copier, you can now enjoy all the conveniences of the Microcard system and still have full-size copies when you need them. This new Copier, a major breakthrough in the micro-reduction field, will make large (8½ x 11) positive copies directly from the images on a Microcard without any additional equipment.

Combining push-button simplicity with quality performance, the Microcard Copier is fully automatic and the sharp black and white photo-copies it produces will last 10 years or more. For more information on the new Microcard Copier, write to:
