GLOBE-WERNICKE SALUTES

McNeese State College

LAKE CHARLES, LOUISIANA

McNeese State College was founded in 1939 as a junior college division of Louisiana State University. Separated from LSU in 1950, McNeese State was advanced to four-year status. In subsequent years, many additions were made to the physical plant of the college including new dormitories, married student housing, ROTC Armory, and a three-story science building. In the summer of 1961 the ultra-modern Lether E. Frazer Memorial Library was opened to the 2700 students enrolled at McNeese. Globe-Wernicke book stacks, study carrels, and tables were specified.

If you are considering a new library, or modernizing an existing one, consult Globe-Wernicke's Library Planning Service. Write Dept. Q-12.
