THE INTERPRETER'S *Dictionary* OF THE BIBLE IN FOUR VOLUMES

An Illustrated Encyclopedia

"Few titles in any subject area probably really deserve the description 'a major work.' This is one of those few. Without question, it is the most comprehensive and authoritative Bible dictionary to appear in English in over half a century. . . . This is a title that will be useful to ministers, scholars, and general Bible readers alike. It is an essential purchase for every library."
