drawers

100
Pressboard Guides

100
Golden Guides

Are your present guides robbing you of valuable catalog card space? Replace them with Space-Saver Golden Guides and get maximum use of every inch of space in your catalog drawers.

Every pressboard guide you replace gives you room for a Golden Guide plus 3 more catalog cards. In a 60 drawer unit with 15 guides to a drawer, you'll gain space enough for 2700 additional catalog cards.

Or take advantage of this thinness to refine your guiding to speed up filing and finding. Every pressboard guide you remove leaves space for 4 Golden Guides. Even buff guides are twice as thick as Golden Guides.

And Golden Guides are tough—made of laminated Mylar*. Won't tear,

split or crack in use. Tabs won't break off. Fingerprints and soil wipe off with a damp cloth.

Get the most of your catalog card drawer space. Write for the facts about Golden Guides—the thinnest, most durable guide made today—*available only from Demco.*
