Flexible vinyl cushioning surface supplied in gray or tan to blend with baked enamel finish of book truck.

Regardless of what a book truck is made of, if it bangs into fine library furniture, it's going to chip, scratch or mar the surface . . . making expensive refinishing necessary.

To prevent this . . . to protect your valuable furniture from unsightly damage, Demco now offers you its full line of quality book trucks with 100% bumper protection. Actually adds attractiveness

to the truck . . . yet costs so little.

All four book truck corners, plus both sides of *all* shelves are covered with a cushioning surface of flexible shock absorbing vinyl. Bump it . . . bang it! The bumper takes the impact without damage to the furniture. Avoid accidentally marring your library furniture . . . specify economical Demco Book Trucks *with bumpers* on your next book truck order.
