# FOREIGN & DOMESTIC SERIALS SUBSCRIPTION SERVICE TO ALL TYPES & SIZES OF LIBRARIES FROM 11 REGIONAL OFFICES IN THE U.S.A. AND CANADA

## COMPREHENSIVENESS

EBSCO services periodicals, newspapers, annuals, yearbooks, irregular book/monographic series (numbered or unnumbered), and continuations. Our computerized price file lists over 100,000 titles. However, we gladly research any title ordered and do not expect the customer to provide publisher name and address. Our research cycle is thorough and provides a quick answer if we are unable to identify the publisher. We service titles from all nations of the world. The only titles we cannot (normally) service for you are order-direct by the publisher's requirement. (However, if you are a librarian who desires to place 100 per cent of all serials with a single agency, we can handle even the order-direct publishers for you.)

## FLEXIBILITY

We believe what we do for you and how we do it should be determined by your needs. We have suggested procedures and formats. Our order processing and records are computerized, and we are able to employ our computer to service any special requests you may have. In the event you have a request which a computer, for some reason, cannot honor, we keep our typewriters handy and a perfect willingness to do whatever is necessary to suit your needs.

## PERSONALIZED SERVICE

Our network of 11 regional offices headed by General Managers with experience and authority to act guarantees you responsiveness. Our 11 Managers have 151 years' experience among them in servicing libraries with serials subscriptions. Order control is located at our regional office. The Manager who commits is the Manager who controls. Each of our customers is assigned to one Customer Service representative, so there is consistency in communications.
