Encyclopedia of Associations
16th Edition

Over 90% of the entries in the 16th edition have been revised to reflect new addresses, phone numbers, executive names, or other important items of information. For over 25 years EA has been the standard reference book for locating those associations that information seekers turn to for highly qualified sources. The new, 1982 edition tells you exactly whom to write, phone, or visit for information too fresh to appear in books and periodicals.

Vol. 1 • National Organizations of the U.S.
Describes 15,400 organizations in 17 subject categories. Entries give official name of group, popular name or acronym, address, phone number, chief executive, number of members, publications, convention schedule, and more. Over 90% of the entries in the 16th edition have been revised to reflect new addresses, phone numbers, executive names, or other important items of information. 900pp. ISBN 0-8103-0144-X. $135.00.
