College & Research Libraries is the official journal of the Association of College and Research Libraries, a division of the American Library Association. It is published bimonthly at 50 E. Huron St., Chicago, IL 60611. Second-class postage paid at Chicago and at additional mailing offices. POSTMASTER: Send address changes to *College & Research Libraries*, 50 E. Huron St., Chicago, IL 60611.

Manuscripts of articles and copies of books submitted for review should be sent to the Editor: C. James Schmidt, Editor, *College & Research Libraries*, c/o Research Libraries Group, Jordan Quadrangle, Stanford, CA 94305. Phone 415-328-0920 ext. 337.

Instructions for authors: Manuscripts are to be typewritten, double-spaced, and submitted in three copies. The title, name, and affiliation of the author and an abstract of 75 to 100 words should precede the text. Bibliographical references are to be consecutively numbered throughout the manuscript and typewritten, double-spaced, on a separate sheet or sheets at the end. The journal follows *A Manual of Style*, 12th ed., rev. (Chicago: Univ. of Chicago Pr., 1969), in matters of bibliographical style. Authors may consult recent issues of the journal for examples of the style. Further information on submission of manuscripts is included in a statement in *College & Research Libraries* 41:67-68 (Jan. 1980).

Production and circulation office: 50 E. Huron St., Chicago, IL 60611. Advertising office: Leona Swiech, Advertising Traffic Coordinator, 50 E. Huron St., Chicago, IL 60611. Change of address and subscription orders should be addressed to *College & Research Libraries*, for receipt at the above address, at least two months before the publication date of the effective issue.

MORE...OR LESS

The cost of acquiring, binding and maintaining your library's serials collection can consume an increasingly larger portion of your operating budget. Some libraries have been forced to discontinue certain serials in order to accommodate funding cutbacks.

Serials in microform are generally available for substantially less than bound volumes.

This means that you can continue to provide a depth of thought and divergence of opinion in your serials collection within your imposed budget restrictions.

Serials in microform are a sensible way to live with today's economic pressures while you build for tomorrow. See for yourself. Call or write for full details on UMI's microform serials management system.
