## Directory of Special Libraries and Information Centers

The new 9th edition of **DSL** reflects the high technology trend.

Many new high technology library holdings combine traditional and electronic reference materials. Providing access to this important group of libraries, the category "Computer Science" has been added to the more than two dozen broad subject categories used by *DSL*.

### Companion volume also available:

**Vol. 1. Special Libraries and Information Centers in the United States and Canada.** 9th edition. Edited by Brigitte T. Darnay. About 1,700 pages in 2 parts. Subject Index. Appendixes. \$320.00. (Ready June)

**Vol. 2. Geographic and Personnel Indexes.** Two additional approaches to the libraries and people included in Vol. 1. The Geographic Section lists the institutions by state or province.
