The Publishing Event of the 20th Century
A Re-edition of the Gutenberg Bible
Now Being Offered to Your Library

Midwest Library Service is pleased to announce that it has been named the exclusive distributor of an historic re-edition of the Gutenberg Bible. This re-edition is the first complete and identical reprint in the history of the Gutenberg Bible, which Gutenberg printed on his own invention, the printing press, circa 1455.

Utilizing the Cardinal Mazarin Bible in Paris as the copying model, the re-edition has been hand-assembled paying scrupulous fidelity to detail.

The re-edition being offered for sale consists of four books: two that constitute the Latin Bible and two books of commentary in English. The price of the four-book set is $4,500.

If you would like to order this perfect reproduction of the Gutenberg Bible, or if you would like more information in the form of a handsome full-color brochure, please write to us or call Midwest Library Service on our toll-free number, 1-800-325-8833.
