SPECIAL OFFER

Midwest Library Service Announces a Special Offer to Libraries on the Gutenberg Bible Reproduction Set

If your library orders the four-book Gutenberg Bible Reproduction Set at the regular price of \$5400, we will give you free of charge—the handsome, solid oak display case, pedestal and stand that you see pictured above. The display case also includes a brass identification plate.

The Gutenberg Bible Reproduction Set is the first complete and identical reprint in the history of the Bible that Gutenberg printed on his own invention, the moveable-type printing press, circa 1455.

This extraordinary Reproduction Set consists of four books in all: two in Latin that make up the Bible and two books of translation, history and commentary in English. The Reproduction Set has been awarded the prestigious 1986 Silver Medal of the Academy of France.

If you would like to order this perfect Reproduction Set, or if you would like more information in the form of a handsome full-color brochure, please write to us or call Midwest Library Service on our toll-free number:

1-800-325-8833. Missouri customers call toll-free on 1-800-392-5024.

Canadian customers call toll-free on 1-800-527-1659.
