Diskette vs. Deskful.

EBSCO offers you services on diskette, invoice data in machine readable format for your microcomputer. Invoices with additional bibliographic data can help you break through the paperwork at your desk.

EBSCO's leading the way in innovations to support library automation. Now, these extra services let you do the important things that require the human touch.

If you'd like to know more, give us a call today.

We call it services on diskette. But you could just call it "service."
