We've Put Our Reputation Online!

You know us as the producer of **Biological Abstracts**[®]. For over 60 years we've been providing coverage of the latest research findings in the life sciences.

We also produce **BIOSIS Previews**[®], the online database offering you the largest collection of biological and biomedical references available. This database monitors over 9,000 serial sources from more than 100 countries for news of important life science research findings, noteworthy clinical studies, or discoveries of new organisms. We'll process over 500,000 new items this year. Over 6.5 million citations will be included in the **BIOSIS Previews** database by the end of 1989.

Whether you're looking for current life science research findings, or the historical background of a particular topic, **BIOSIS Previews** can provide you with references to a massive and diverse body of scientific literature. It's the life science research database that will answer your questions.

For more information or to find out how to access **BIOSIS Previews**, return the coupon below.
