

Some alliances change the way you look at the world

Throughout history, world leaders have joined forces to create powerful alliances. Now, PAIS has joined two indexes to create a remarkable new research tool – PAIS INTERNATIONAL IN PRINT.

PAIS INTERNATIONAL IN PRINT features the complete content of the world's most widely used public/social policy index, the PAIS BULLETIN. And it adds to it the extensive foreign language coverage of the PAIS FOREIGN LANGUAGE INDEX.

The result? An index of exceptional scope. An index that provides references to superior-quality literature on the entire

spectrum of political, economic, and social issues. An index that offers single-source access to periodical articles, journals, government documents, and other hard-to-find material published worldwide in English, French, German, Italian, Portuguese, and Spanish.

Next time you need to look at the world, join forces with the most comprehensive public/social policy index – PAIS INTERNATIONAL IN PRINT.

Risk management.

You want to give your patrons expanded access to information by letting them search online databases.

But how do you control costs?

With FirstSearch, you pay by the search, not by the minute. Patrons can search key databases like the OCLC Online Union Catalog, ERIC, the GPO Monthly Catalog, and Consumers Index, without the risk of connect-hour charges mounting up while they search.

Give your patrons FirstSearch Cards that authorize 10 or 25 searches, and you'll have a new way to control usage. Or sell cards, if you wish, and recoup costs.

Call us today for more information.

With your FirstSearch, we'll change your mind about the risks of online databases for patrons.
