

TAILORED.

Why Blackwell is the Approval Plan leader.

Academic and research libraries worldwide choose Blackwell for new titles because we offer services tailored precisely to their needs.

Service. You benefit because we are large enough to offer a full range of services, yet flexible enough to tailor those services to your needs.

Comprehensive coverage. Our buyers are in daily contact with the publishers whose books are so essential to your collection. These include not only university, trade and Sci-Tech-Med presses, but also the scholarly and small presses which you need for timely, full coverage. Our unique B. H. Blackwell interface offers 100% coverage of UK new titles.

Tailored profiling. Create your individualized library profile to select books of interest, based on our extensive subject thesaurus, our new LC classification thesaurus, or a combination of both. The choices are yours.

Computer access. Innovative new services such as our New Titles Online (NTO) and New Titles Announcement Service on diskette (PC-NTAS) provide current, accurate book status information on your PC.

Tailored invoicing and reports. We arrange invoices to your specifications, and provide a complete package of management reports, including a projection of books and forms you will receive in the coming year and their estimated costs for budgeting.

Extensive, interactive database. Our approval, firm order and standing order systems interact to prevent duplication.

Unique backrun capabilities. What have you missed? We can show you the effect of expanding your plan, or tape match against your catalog.

Risk management.

You want to give your patrons expanded access to information by letting them search online databases.

But how do you control costs?

With FirstSearch, you pay by the search, not by the minute. Patrons can search key databases like the OCLC Online Union Catalog, ERIC, the GPO Monthly Catalog, and Consumers Index, without the risk of connect-hour charges mounting up while they search.

Give your patrons FirstSearch Cards that authorize 10 or 25 searches, and you'll have a new way to control usage. Or sell cards, if you wish, and recoup costs.

Call us today for more information.

With your FirstSearch, we'll change your mind about the risks of online databases for patrons.
