World-Class Discoveries

...begin with world-class information. It's the kind of information you'll find in Biological Abstracts® (BA) and Biological Abstracts/RRM® (Reports, Reviews, Meetings) (BA/RRM), vital resources for references to the world's life science literature.

Comprehensive Coverage...

...sets BA and BA/RRM apart from other reference materials. BA contains full bibliographic information and abstracts from the latest biological and biomedical literature, carefully selected from approximately 7,600 journals worldwide. BA/RRM complements this global service with exhaustive coverage of papers from international meetings and symposia, as well as books, reviews and other items not found in most life science reference tools.

A Solid Information Foundation...

...for life science research is yours with BA, BA/RRM and their Cumulative Indexes. Together, this powerful information package provides thorough, accurate coverage of the research that can lead to world-class discoveries!
