In Search of Excellence
in the preparation of guides to research resources.

Recognizing Excellence
Annually, the ALA Publishing Committee recognizes outstanding proposals for the preparation of guides to research resources in the literature of a chosen discipline or subject area. The guides must show promise of being useful to both scholarly and general audiences and serve an unfilled need.

Funding Excellence
The maximum Whitney–Carnegie Award is $5,000 to cover the costs of research and compilation.

Publishing Excellence
All Whitney–Carnegie projects are carefully reviewed by ALA editors for possible publication.

Eligibility
Librarians, bibliographers, and scholars are invited to submit proposals in any recognized discipline or subject area.

Deadlines
Proposals are accepted throughout the year. The deadline for submission is September 1. Applications received after this date will be considered the following year.
