⚡ We can't promise 110, but we will promise 95. That's right. LTI guarantees that its affordable, machine-only Authority Control will link 95% or more of your library's controlled headings to an LC or LTI authority record.* No exceptions! No excuses!

⚡ When manual review is requested, only professional librarians are used as editors and link rates approach 100%.

⚡ LTI maintains the complete LC MARC authority files (updated weekly), supplemented with over 410,000 LTI authority records and 350,000 proprietary “cross links.”

*Contact LTI for more information on authority record link results.

The NFS says more timber sales mean more logging which means more jobs. Even if the timber must be sold at a loss. Opponents say this annual deficit amounts to logging subsidized by taxpayers, and that the real motive is to build roads in previously roadless areas, preventing future wilderness designations.

IN THE FACE OF A \$245 MILLION DEFICIT, THE NATIONAL FOREST SERVICE STILL SEES ONLY ONE WAY TO CUT ITS LOSSES.

The battle between environmentalists and developers is an issue of international importance. And so it is one of the thousands of diverse subjects covered by PAIS International.

A vast range of topics

From conservation to industrial espionage, PAIS provides information you won't find anywhere else. PAIS online and CD-ROM indexes offer access to over 350,000 journal articles, government documents, statistical directories, monographs, conference reports and more. And to provide an unrivaled international outlook, PAIS also references literature published around the world in English, French, German, Italian, Spanish and Portuguese.

So before you venture into a forest of information, cut-through the clutter with PAIS.
