Introducing BookFind-CD World Edition— instant access to more informa- tion on more titles than ever before.

The most sophisticated bibliographic database of its kind, BookFind-CD provides access to over 1.3 million English language titles from all over the world.

Among the many benefits of this unique refer-

ence tool is the availability of detailed, descriptive records like the one above, that provide an unprecedented amount of information for many of the titles in the database.

What's more, with over 2000 subject classifications, users can search for and locate titles with great accuracy—using information ranging from author or title to *any* word or phrase.

And once you find the information you want, you

can manipulate it to meet your needs—and receive it in any of 20 different output formats.

In addition to the original version, BookFind-CD is available in special, more specific packages, including Medical/Healthcare and Business/Law. So no matter what your needs, there is a BookFind-CD that's just right for you. For more information on any of the BookFind-CD packages, call Baker & Taylor at 1-800-775-1800.
