**Economical, fixed-fee pricing.** With leased magnetic tapes, there’s no need to worry about usage and teleconnect fees. Your users can search PAIS as often as they like, for as long as they like, all for one annual rate.

**Flexibility and ease of use.** PAIS is compatible with most OPACs. That means your users don’t have to learn different search software, and you don’t have to acquire new hardware.

**Institution-wide availability.** With PAIS International on your network, users in dorm rooms and offices across an entire campus or organization can access the database 24 hours a day.

**A total information resource.** The PAIS magnetic tape includes references to over 380,000 journal articles, government documents, statistical directories, monographs, conference reports and more. The database also references literature published worldwide in English, French, German, Italian, Spanish and Portuguese. Bibliographic records, a Thesaurus File, and Periodical and Publisher Directories round out this unique resource. ISSN, ISBN, LC and Superintendent of Documents are included in the data.
