# Now get unlimited, low-cost access to the PAIS Database via leased tape

For as low as \$3,000 per year, you can have unlimited access to the PAIS International Database, the premier bibliographic index to public and social policy issues.

**Economical, fixed-fee pricing.** With leased magnetic tapes, there's no need to worry about usage and teleconnect fees. Your users can search PAIS as often as they like, for as long as they like, all for one annual rate.

**Flexibility and ease of use.** PAIS is compatible with most OPACs. That means your users don't have to learn different search software, and *you* don't have to acquire new hardware.

**Institution-wide availability.** With PAIS International on your network, users in dorm rooms and offices across an entire campus or organization can access the database 24 hours a day.

**A total information resource.** The PAIS magnetic tape includes references to some 400,000 journal articles, government documents, statistical directories, monographs, conference reports and more. The database also references literature published worldwide in English, French, German, Italian, Spanish and Portuguese. Bibliographic records, a Thesaurus File, and Periodical and Publisher Directories round out this unique resource. ISSN, ISBN, LC and Superintendent of Documents are included in the data.

**Full telephone support.** PAIS support is never more than a fast phone call away.

An annual subscription to PAIS on magnetic tape includes 12 monthly updates and complete documentation.

Backfiles also are available from 1972 to the present, either as a whole file or in five-year units. For more information or a free sample tape, use the coupon below or call toll-free, 800-288-PAIS.
