Hallmarks of a Todd Product

Todd Products are made with Dockable drives. They slip in and out of place without tools, cabling or wiring. It is simple to add or change a drive. Dockable drives allow you to expand as your needs grow. Begin with a small investment and expand.

Keylocks and security doors on Todd products limit control to authorized personnel. Keylocks are ideal in public access areas. Materials may be utilized while tampering with equipment and removal of discs is controlled.

Todd Product Support

When you buy a Todd product, it is with technical support. Our 800 number is available whenever you need assistance.

Todd products are remarkably reliable and are warrantied. Extended warranties are available. Whether you are an expert in computer systems needing detailed specifications, or someone needing basic orientation to CD-ROMs... WE CAN HELP.

In addition to Todd products, Todd Enterprises, Inc. can provide a selection of products from the most prominent manufacturers, such as Pioneer and NSM, backed by the experience and support of Todd's Network Solutions division.

When you buy a product from Todd you can count on Todd expertise to interface your equipment with your existing workstations and networks.
