WIDE AREA TELEPHONE SERVICE (W.A.T.S.) TO ILLINOIS CITIES (EXCEPT CHICAGO AND SPRINGFIELD) FOR UNIVERSITY BUSINESS CALLS ONLY

There is no toll charge for any call dialed to a point in Illinois, if you follow the instructions below. The cost is included in the basic service charge. Personal calls may not be placed over the W.A.T.S. lines. Personal calls may be made from University phones by dialing 9, then 0 for Operator and providing her with the residence line phone number to which the call is to be charged. (This is known as third number billing).

The W.A.T.S. lines are NOT to be used for calls to Chicago and Springfield. Tie Lines are available for toll-free calls to these two cities. Instructions on how to use the Tie Lines are printed above.

Illinois Bell Telephone Company tariffs prohibit the users of W.A.T.S. lines and Tie Lines from obtaining information by refusing to accept person-to-person or collect calls for the purpose of identifying the calling party and calling back on a W.A.T.S. or Tie Line. (This practice is in clear violation of Illinois Bell tariffs and can lead to discontinuance of the service for the violation.)

HOW TO USE THE W.A.T.S.

Calls Within Area 217

1. Listen for dial tone, then dial 182.
2. The University Operator will require certain information before connecting you to a W.A.T.S. line.
3. Dial 1, then the complete number you are calling. For example: To call Decatur, Illinois, dial 182 + 1 + seven digits of number.

Calls Elsewhere in Illinois (Other than Area 217)

1. Listen for dial tone, then dial 182.
2. The University Operator will require certain information before connecting you to a W.A.T.S. line.
3. Dial 1, then the proper Area Code, then the complete number you are calling. For example: To call Peoria, Illinois, dial 182 + 1 + seven digits of number.

If the telephone number of the party desired is not known, you should obtain the number by dialing 9, then 1, then the Area Code (if appropriate), then 555-1212. You should then proceed with the instructions indicated above for calls within Illinois.

Calls to Places in Illinois Which Can Not Be Dialed Direct

1. Listen for dial tone, then dial 182.
2. The University Operator will require certain information before connecting you to a W.A.T.S. line.
3. Dial 0 and place call with special Operator.

There is no charge for these calls.

Note

University Operators will continue to monitor calls made over the W.A.T.S. lines. Your patience in securing and your cooperation in the use of these lines, which are for official University business only, are solicited. Callers will receive a busy signal when all lines are in use. Departments are reminded that there is no charge for calls made over the W.A.T.S. lines.

Departments will be charged for calls made to Illinois cities and elsewhere over long distance lines.
