Connecting to Collections
Survey Instructions

Submitting the Survey
We encourage you to submit your responses after completing the paper questionnaire. Please return your survey to: College of Micronesia-FSM, LRC, attn: Connecting to Collections, P.O. Box 159, Kolonia, Pohnpei FM 96941

Confidentiality
The College of Micronesia-FSM will keep your individual responses completely confidential. Only the aggregate data will be reported; your individual responses will never be published or identified by COM-FSM, the Institute of Museum and Library Services (IMLS), or any organization cooperating in this project.

Why Should You Participate?
The data you provide will communicate the scope and nature of the preservation needs of collections in the FSM and will guide the efforts of decision-makers and funders to address those needs. The results of the Connecting to Collections survey will show you your preservation needs in the context of those of your peers in a form that can be used as a tool for raising institutional awareness and promoting long-range planning for the care of collections.

Scope of the Questionnaire
• Complete the questionnaire for the collection/institution identified above in question A1.
• Fill out the survey only for your own holdings, not those of any other collecting entities in your parent institution. They may receive their own surveys.
• Complete the questionnaire for collections that are a permanent part of your holdings or for which you have accepted preservation responsibility.

How to Complete the Questionnaire
• For questions that ask for a number or dollar amount, please provide your best estimate. Remember, these figures will constitute a national profile, so even a rough estimate is useful.
• For questions about issues such as institutional budget and staffing, you may need to consult your colleagues.
• If your responses will not fit in the spaces provided, please write them on the attached blank page.
• Do not leave questions blank. If there are questions that you cannot answer, select “Don’t Know.” If there are questions that are not applicable to your institution, select “Not Applicable.”

More Information
For questions about the survey, contact Lucy Oducado at 691-320-2480, extension 124 or at loducado@comfsm.fm
