Two Year IMLS GRANT

Year 1 – Emergency Planning
Year 2 – Collections Management Policy and Collections Plan
Same Process in Four Regions during the year

- Mentees write Emergency Management OR Collections Plan with advice from Mentors
- All participate in three structured workshops
- Mentees have “homework” before and between workshops to move their Plan forward
Process – Work within Organization

Goal: Write a Plan for your organization

- Year-long process
- Facilitated & structured process
- Guidance provided
Goal

- Know and trust each other
- Call on each other in emergency
- Expand the trusted network over time

Process – Work within a Regional Cohort
What do the regional cohorts do

- Meet three times in structured workshop
- Mentors/mentees meet in person or by phone to discuss progress
Workshops in Four Regions

- Held at participant organization
- Includes formal presentations via webinar presented by a mentor
- Around-the-conference room table discussion about practical applications and how the presentation fits into your plan
  - Facilitated by a mentor
  - Discussion guide provided
- Lunch break with meal as a group
Mentees

- Develop or refine an emergency management plan
- Share expertise
- Develop regional cohort
Mentors

- Have developed plans for their institutions
- Share expertise
- Provide guidance to assigned mentees
- Develop regional cohort
Mentee Commitment

- Made in writing as part of application
- Within a few months after final workshop, the Emergency/Collections Plan will be submitted to governing authority for review and approval
Workshop – Formal Presentations

- Formal sharing of expertise to all 4 workshops simultaneously – 15 minutes long
- 10 minutes Q&A about the presenter’s experience
Workshop Discussions

Each webinar is followed by 45 minutes In-person discussions around the conference room table in 4 cities.

Mentors take turns serving as facilitator.

Goal: Move the writing of your plan forward.
