SIMPLE BOUGUER GRAVITY ANOMALY MAP OF NORTHEASTERN ILLINOIS

Latitude 41° to north border
Longitude 89°30' to east border

Paul C. Heigold
Illinois State Geological Survey
Champaign, Illinois 61820

C. Patrick Ervin
Northern Illinois University
DeKalb, Illinois 60115

Lyle D. McGinnis
Argonne National Laboratory
Lemont, Illinois 60439

Robert F. Kucks
U.S. Geological Survey
Denver, Colorado 80225

The data used for this map were compiled from a variety of sources including:

- Airborne Geophysical Surveys
- Seismic Refraction Surveys
- Geophysical Well Logs
- Geologic Data

The data were processed to eliminate noise and to enhance the anomalies.

Acknowledgments

The authors would like to acknowledge the contributions of the following individuals and organizations:

- Illinois State Geological Survey
- U.S. Geological Survey
- Argonne National Laboratory

The map was prepared under the direction of Paul C. Heigold, Illinois State Geological Survey, and C. Patrick Ervin, Northern Illinois University.

Base Map:
- Illinois State Geological Survey's 1:250,000 topographic maps

The map is intended for use as a guide to the geologic structure within the study area.

The map is not to be used for navigational purposes.

Map Scale: 1:250,000
