VOLUME 37 NUMBER 4
SUMMER 1988—SPRING 1989

Index to Volume 37

Prepared by: Judith A. Christensen
Information Finders, Champaign (Illinois) Public Library and Information Center

A

- AACR2, 232; in the ADAG Database, 209; at British Architectural Library, 245, 248; for cataloging software, 306-07
- Ackerman, James S., 135
- Acquisitions: automated systems of, 278-79
- ADAG. *See* Architectural Drawings Advisory Group
- Adolescents. *See* Young adults
- AGRICOLA, 331
- ALA Young Adult Services Division (YASD), 13-14
- ALANET, 358, 359-60, 361, 362, 364, 365
- Alexandrian Library, 146
- American Institute of Architects Foundation Conference, 234
- American Management Association, 474
- American Society for Information Science (ASIS), 1; 1988 Mid-Year Conference, 461
- "Analyzing the Subject of a Picture: A Theoretical Approach," 239-40
- Anderson, Jim, 202
- Architectural Drawings Advisory Group (ADAG): database of, 208-10, 218, 246
- Architecture Database, 243, 245
- Area Library Service Area, Indiana, 360
- Arms, William Y., 177, 181, 201
- ARPANET, 361
- Art and Architecture Program Committee, Research Libraries Group, 262
- Art and Architecture Thesaurus, 179, 184, 201-02, 210-14, 218, 238-39, 248; hierarchies of, 211, 212
- Art History Information Program (AHIP), 176, 184, 186; Intelligent Database Machine (IDM), 183
- Art indexes, 126-27
- Art information, 194-205; and bibliographic catalogs and databases, 199-201; and bibliographic standards, 196, 197; compared to bibliographic information, 198-204; components of integrated system, 204; and document versus knowledge description, 202-03; and the inference issue, 201-02; and information science, 196-97; and the intrinsic/extrinsic issue, 200-01; and museum computerization, 198; and national bibliographic systems, 195-97; and systems for art objects, 197; and unique items versus multiple copies, 203-04. *See also* Documentation of museum objects
- Art objects: access to, 122, 123; classification of, 120, 121, 127-28; facsimiles of, 123-24; historical information of, 125-26, 127; linked to art information, 117-18, 120-29, 194-205, 215-16, 243-51; and online databases, 126; patterns of research on, 126-27, 129; reference works of, 122-23; technological sources of, 124-25; value of, 130-31; versus collectibles, 121; visual memory of, 121-22, 125. *See also* Documentation of museum objects
- Association of Research Libraries (ARL), 378

- Automated cataloging. *See* Cataloging, automated
- Automation in libraries, 269-81; and acquisitions, 278-79; and cataloging, 273-74; and circulation control, 269-72; and computer-produced catalogs, 274-76; and "online" circulation systems, 270-71; and "pre-computer circulation systems," 270; and reference service, 276-78; and serials control, 279-80; and software for automated circulation systems, 271-72. *See also* Microcomputers in libraries. *See also* Library management and technology. *See also* Library technology
- Avery Architectural and Fine Arts Library: and authorship for cataloging, 235-37; and AVIADOR project, 233-42; and building names and addresses, 240; and the curatorial tradition, 238; and genre headings for cataloging, 239-40; and the librarian outlook, 234, 238; and main entry for cataloging, 237-38; and standards for cataloging, 233, 234-35; and subject headings for cataloging, 238; and title for cataloging, 238-39; and the videodisc image, 233, 241
- Avery Videodisc Index of Architectural Drawings on RLIN. *See* Avery Architectural and Fine Arts Library
- AVIADOR. *See* Avery Architectural and Fine Arts Library
- Avram, Henriette, 237
- B**
- Bearman, David, 179
- Betz, Elisabeth (Parker), 209
- Bibliofile, 274
- Bibliographic instruction: of automated reference resources, 397-98
- Bibliographic instruction of technology at Rochester Institute of Technology, 366-73; evaluation of, 371; future of, 371-72; program of, 368-71; rationale for, 366-68
- Bibliographic systems, 195-97, 198-204. For national bibliographic systems, systems for art objects *see* Art information
- Bibliographic utilities, 274, 279, 280, 288; in reference service, 388-89
- Bilingual union catalog: using DOBIS, 419-20; at the Finance Treasury Board Library, 425-26; at the Library of Parliament, 424; as an online public access catalog, 428-29
- Biodata, 248
- BITNET, 361
- Blake, Robert R., 470
- Book: limitations of, 320, 322; as object, 249-51
- Boston Library Consortium, 376
- Boyle, Richard, 474
- Bridgers, Sue Ellen, 20
- British Architectural Library (BAL): cataloging at, 243-51; collections of, 244; database features of, 247-49; development of database for, 245-47; early cataloging attempts at, 244-45; and problems of book as object, 249-51
- Brophy, Peter, 478
- C**
- California Polytechnic State University, San Luis Obispo, 495
- California State University Bakersfield, 495
- California's Reading Initiative, 69
- Canadian Heritage Information Network (CHIN), 151, 167, 179, 180
- Canadian National Inventory Programme, 143-44, 151
- Canadian Union Catalog: using DOBIS, 416-18
- CARL. *See* Colorado Alliance of Research Libraries
- CARL database, 532-33, 535
- Carnegie Council on Adolescent Development, 16
- CAT CD450, 335
- Catalog: as barrier to access to information, 37-38
- Cataloging: automated, 273-74; early titles at British Architectural Library, 244-45; and history of automated museum cataloging, 148-52; of library versus museum objects, 147-48; of museum objects, 144-46, 147; of software, 306-08
- Cataloging Distribution Service, 329
- Cataloging in Publication (CIP), 307
- Catalogs, computer, 274-76; and COM catalogs, 275; and online catalogs, 275-76
- CDMARC: Bibliographic, names, subjects, 329

- CD-ROM, 379, 392-93; to access union catalog, 48, 52; used at the Library of Congress, 329; used for MAINECAT, 341-42; used at the National Agricultural Library, 330-32; used at the National Library of Medicine, 333-34; used with OCLC, 334-35; used for Pennsylvania Union Catalog, 340-41; at Rochester Institute of Technology, 367, 369-70, 371, 372; used at the Western Library Network, 335-36
- Censorship: and preselection, 38-39
- Center for Entrepreneurship, Wichita State University, 521
- Center for the Study in Creativity, State University College, 521
- CGIAR. *See* Consultative Group on International Agricultural Research
- Change: fear of, 487; processes and challenges of, 496-97; use of retreat to cope with, 495-509
- Charter, Jody, 24, 32-33
- Chelton, Mary K., 22-24, 29, 33
- CHIN. *See* Canadian Heritage Information Network
- Circulation control: automation of, 269-70; and online systems, 270-71; and "precomputer" systems, 270; software for, 271-72; of software in collections, 309-11
- CIS. *See* Collections Information Systems
- CLASS. *See* Cooperative Library Agency for Systems and Services
