
LIBRARY

TRENDS

“Library Trends has become the premier thematic quarterly journal in the field of American Librarianship.”

Library Science Annual

Both practicing librarians and educators use *Library Trends* as an essential tool in professional development and continuing education. They know *Library Trends* is the place to discover practical applications, thorough analyses, and literature reviews for a wide range of trends. See for yourself the breadth of topics covered in the 38th volume.

Critical Issues in Library Personnel Management

(Summer 1989) Edited by Richard Rubin

This issue provides a discussion of policies, practices, and theories related to personnel management in libraries.

Problem-Solving in Libraries

(Fall 1989) Edited by Ron Powell

This issue, a Festschrift in honor of Herbert Goldhor, will review applied and evaluative research methods in libraries.

Agricultural Libraries and Information Services

(Winter 1990) Edited by Keith W. Russell and Maria G. Pisa

This issue covers a full range of topics on agricultural libraries and information including the state of the art of these libraries, future trends and directions, relating present and future practices to the past.

Intellectual Access to Graphic Records

(Spring 1990) Edited by Mark E. Rorvig

This issue describes the impact of technical advances in image storage, display, and pattern recognition technologies in libraries and how these have improved access to graphic records.

Subscription Price \$50 (plus \$3 for overseas subscribers). Single copies are available for \$15, including postage. Order from the University of Illinois Press, Journals Department, 54 E. Gregory Drive, Champaign, IL 61820.
