Pathway to Creating a Bicycle Friendly University
Grace Kyung, MPH | Master of Urban Planning 2015 | Department of Fine and Applied Arts, University of Illinois at Urbana-Champaign | Advisor: Mary Edwards

Bike Statistics
- 50% of all trips Americans make are 3 miles or less
- 40% of all trips Americans make are 2 miles or less
- Americans spend $81 billion on biking annually to generate 770,000 jobs & $10 billion in taxes
- Adults who choose to commute to work by bicycle lose up to 13 pounds in the first year
- 3.5% of individuals bike to work in Champaign-Urbana

Recommendations
- Hire an Active Transportation Coordinator to implement the Campus Bike Plan
- Continue strong engagement with students on campus to promote sustainable transportation options and to push for items the Bike Fee should fund
- Create and execute the bike sharing system for campus through awarded grant and work with community partners to develop a community-wide bike share program
- Develop and implement a campus-wide survey to understand mode shift and to compare and contrast changes over time
