Perspectives on Work

**Always informative with something new
and different in each issue!**

Perspectives on Work

Perspectives on Work is a premier publication in the field of industrial relations and human resources. *Perspectives* is aimed at engaging practitioners, policy makers and researchers in analysis and discussion of how to update workplace practices, institutions and policies to fit today's economy and workforce needs. It seeks to publish thought-provoking articles and columns that encourage creative and forward

thinking about the future of work and the policies and institutions that should govern employment relationships.

Issues cover specific topics of interest to professionals and academics, such as work in the twenty-first century, work and family, international perspectives, social contracts, and ensuring human rights in employment.

Perspectives on Work is the official publication of the Industrial Relations Research Association (www.irra.uiuc.edu).
