

# Illinois Data Bank Metadata Documentation

Version 1.1

December, 2016

This document details the metadata terms and values used by the Illinois Data Bank. The Metadata Website Documentation consists of a set of properties that is specifically designed for materials in the Illinois Data Bank. It also documents, where applicable, the mapping between the Illinois Data Bank metadata and the DataCite Metadata Schema for the Publication and Citation of Research Data version 3.1 (<https://dx.doi.org/10.5438/0010>).
