University of Illinois International & Area Studies Centers

Participatory and Reflective K-12 Outreach Programming
CITIZENS OF THE WORLD

University of Illinois
Program Objectives:

• Strengthen and develop long-term working relationships with K-12 teachers, librarians, and administrators

• Learn more about the intersections between our regional and global outreach missions and school curriculums and standards

• Receive input and recommendations on changes to our outreach programs and strategies for dissemination of educational resources to better serve teachers’ needs
K-12 Educator Advisory Committee

Program Objectives:

• Solicit ideas and assistance in planning and developing new outreach programming

• Contribute to the development of an active community of teachers in Illinois who are keenly interested in global citizenship, diverse cultural perspectives, and infusing the teaching of international issues in their classrooms.
