## Time Spent and Activity-Level Feedback

Please use the table below to list each of the activities from the module that you worked on, and the amount of time you spent working on each activity. Add more rows to the table as needed.

For each of the activities you record time for, also provide any specific feedback or suggestions for improvement that you have for that activity. Please be as specific as possible in your description and feedback about any issues you encounter.

Based on your background and experience with this content, how much faster or slower do you think you worked through the material than a typical student taking this course?
